

PAGE EIGHT

Notices of Births, Marriages and Deaths are inserted in this column without charge. The minimum charge, however, is one cent per line additional for poetry.

MARRIED

LYON-McPHERSON - At Jamestown, N.Y. on Saturday, July 18th, 1936, Mrs. Alice McPheron, Acton, to A. B. Lyon, M.E. of Uxeter, Penn.

KIRKNESS-GRINDLE - At Knox, Ontario, on Saturday, July 18th, 1936, by Rev. H. L. Bennie, M. A., Meryl Ellen, younger daughter of Mrs. W. Lyle Grindell to Mr. Charles Leonard Kirkness, son of Mr. and Mrs. Peter Kirkness, all of Acton.

DIED

TYLER - At his late residence, Acton, on Friday, July 17th, 1936, Edward Tyler, beloved husband of Rose Singleton.

WREN - At Guelph General Hospital, on Saturday, July 18th, 1936, Thomas Wren, formerly of Acton, aged 66 years.

KENNEDY - At the home of his sister, Mrs. J. J. Gibbons, Mill Street, Acton, on Thursday, July 16th, 1936, Angus Kennedy, husband of the late Angelina McCann, in his 81st year.

RAMSAY - At San Jose, California, on Friday, July 17th, 1936, Dr. A. B. Ramsay, formerly of Eden Mills.

Funeral will take place from the home of his sister, Mrs. C. Blanchard, on Friday afternoon, July 24th, arriving at Ebenezer Cemetery at 3.30, Standard Time.

ALDRIDGE - At St. Joseph's Hospital, Guelph, on Wednesday, July 22nd, 1936, Mrs. M. E. Aldridge, daughter of the late John and Jessie Aldridge, in her 19th year.

The funeral will be held on Friday afternoon, July 24th, at three o'clock, D.S.T. Interment at Fairview Cemetery, Acton.

EARLY - Suddenly, at the home, Guelph Road, Nassauville, Township, on Wednesday, July 22nd, 1936, John Early, beloved husband of Grace Borden, in his 81st year.

The funeral will be held on Saturday afternoon, July 24th, at two o'clock, Standard Time. Interment at Campbellville Cemetery.

IN MEMORIAM

ROBERTSON - In ever loving remembrance of a husband and dad, J. P. Robertson, who died July 23rd, 1935. Good was his heart, his friendship true; liked and respected by all he knew. To a happy life came a sudden end. He died as he lived, everyone's friend.

WIFE AND FAMILY

LOCALS

Civic Holiday - a week from Monday. Plan to spend it in Acton.

If the Dianne cows die now, it's front page news, seemingly.

Posters are out telling of the wonders to be viewed at the Canadian National Exhibition of 1936.

If going on holidays, have the Pass Press mailed to you and keep in touch with the home news.

Mr. Gordon Walker, of Tavistock, is relieving at the C.N.R., while Mr. F. Beattie is on vacation.

Civic Holiday looms up to be quite a day in Acton, with morning, afternoon and evening attractions.

And have the showers of yesterday and to-day made everybody happy? They're a real treat after 35 dry days.

A. R. McPadden, of Galt, succeeds Roy M. Findlay, of Guelph, as Deputy Grand Master of the Masonic Lodge of Wellington District.

A hay field on the Gillies farm, on the third line, on Thursday night, caught on fire and caused quite a blaze. Several from Acton went down to help fight the fire.

A grass fire at the farm of Calvin Patterson, on the fifth line, threatened to cause serious damage in a wide section and required the effort of all the farmers of the district to extinguish it.

Directors of Acton Fair last night added new classes and improved the 1936 Prize List and passed it ready for printing. Special prizes are now being secured and it looks like a big year for Acton Fair.

Joseph Wilcox, Georgetown, won first prizes for cornet playing in the 14 and 15 year classes at Waterloo on Saturday. Frank Carter and Norman Herbert received second prizes for clarinet and oboe playing.

A post card from Mrs. P. McIsaac, who is visiting in Scotland, says that she had a pleasant voyage and is greatly enjoying visiting places of interest in that country. She has also received copies of the Pass Press.

Competing with Hanover Band in the class at the Waterloo Musical Festival on Saturday, Georgetown Band was awarded second place in the contest. The neighboring band released on the stand here in the morning, en route to the Festival.

SOME JUMP!

An Irishman who had been in Alaska told the following story: "I landed me back on an island. I went ashore and when I got up to about the middle of the island I met the biggest bear I ever seen in my life. "There was one tree on the island and I made for that tree. The nearest limb was a big one, which was about 20 feet from the ground, and I jumped for it. "Somebody listening to the story said: "Did you make it?" The Irishman replied: "I didn't make it going up, but I caught it coming down."

Obituary

W. McGAUGHEY, Pembroke

William McGaughey, aged 73, one of the oldest business men in Pembroke, died there yesterday, after a few weeks' illness. He had conducted a grocery and bakery business there since 1883.

Surviving are four sons and three daughters, including: Samuel McGaughey, Richmond, Kentucky; Edwin McGaughey, Acton; and Mrs. D. J. Gowans, Westmount, Que. Interment will take place at Pembroke on Friday.

MRS. EMILY TYLER (DAVEY) KENNEDY

The death occurred in Toronto of Mrs. Emily Tyler (Davey) Kennedy, formerly of Lindsay. Mrs. Kennedy, who was the daughter of the late Mr. and Mrs. Wm. Tyler, was born in Erin, Ontario, in 1851. She was twice married; her first husband, Prof. John W. Davey, of Oshawa and Kingston, was a distinguished musician and band leader. Prof. Davey will be recalled by many here. He was the first leader of Acton Citizens' Band, which was organized in 1872. Mrs. Kennedy was also a prominent musician and teacher in her younger life, and actively connected with Wesley United Church, of which she had long been a member. She was deeply interested in the work of the W.O.T.U.

ANGUS KENNEDY

Angus Kennedy, son of the late Anne McDonald and Donald Kennedy, passed away on Thursday at the home of his sister, Mrs. J. J. Gibbons, Mill Street. He was in his eighty-first year. For several years he resided in Toronto, but for the past two months has been living with his sister. His wife, who was, before marriage, Miss Angelina McCann, predeceased him several years ago. One daughter, Christina Kennedy, of New York, remains to rever his memory. One brother, John, of Acton, and three sisters, Mrs. Gibbons, Acton; Mrs. Malthe McCann, Bracebridge; and Mrs. J. McCristian, New York. To all who have been bereaved sympathy of friends goes out. Mr. Kennedy was born at Limehouse, and was a devout member of the Catholic Church. The funeral was held on Saturday morning, with mass at St. Joseph's Church by Rev. Father McBride. Interment was in Dublin Cemetery.

ALEXANDER MACARTHUR

Alexander MacArthur, a former resident of this district, passed away on Thursday last at St. Michael's Hospital in Toronto. Mr. MacArthur, a few days previously, had suffered a fractured leg and at his advanced age the shock and intense heat proved too much for his constitution. Mr. MacArthur was born and raised near Mount Forest, where he married Julia McDonald who predeceased him six or seven years ago. During his early married life he farmed in Nassauville, and operated one of the first steam threshing machines. For many years he resided in Western Canada, returning to Toronto a few years ago. A brother, Duncan, at Speyside, and two sisters, Mrs. J. Hall, of Toronto, with whom he resided, and Mrs. Mary Spher, of Hamilton, survive, of a family of thirteen. His own children have predeceased him, the boys giving their lives in the war. The funeral was held on Saturday afternoon, with services in Knox Presbyterian Church, Acton, conducted by Rev. H. L. Bennie. Interment was in Evergreen Cemetery, Milton.

THOS. WREN, Guelph

After several weeks of gradually declining health, Thomas Wren, a former resident of Acton, passed peacefully away at the Guelph General Hospital on Saturday, July 18th, 1936. He was sixty-six years of age and was a son of David and Janet Wren, formerly of Nassauville and has resided in Guelph for the past twenty-three years, leaving Acton to reside in the Royal City, in which time he has made many warm friends there.

Surviving are his wife, formerly Mary Eadie Lawson, and one son, Lawson of Guelph. Four sisters, Mrs. Silas Eyre, Mrs. George Eyre, Mrs. A. McTavish, Mrs. A. Parks of Seaford; and one brother, David, of Tugaska, Sask., also survive.

The funeral was held, with private service at the home, 94 Neeve Street, and public service at Knox Church, Guelph, on Monday. The services were conducted by the Rev. Dr. A. J. MacOillivray. Interment was in Woodlawn Cemetery. The pallbearers were C. W. Dawson, Bernard Dawson, Harry Davenport, W. Henley, John McGregor and Kenneth McGregor. Many beautiful floral tributes were evidence of the esteem in which he was held.

Friends were present from Seaford, Toronto, Georgetown, Glen Williams, Milton, Acton, Limehouse and Nassauville.

EDWARD TYLER

After an illness of many months, Edward Tyler, Sr. passed away on Friday at his home, "The Queen's Street." For twenty-six years he has been an esteemed resident of Acton. Born in London, England, he came, with his wife, to Canada in May, 1910. Continuously since that time he has been in the employ of the Beardmore Co. For the past fifteen years he has been foreman of the company's warehouse here. He has, during his residence in Acton, been a citizen highly esteemed, of that steady and energetic type who are the backbone of any community. He was a member of St. Alban's Church and in politics was a staunch Conservative. He was just in

his fiftieth year and until a year ago enjoyed good health.

Evidence of the general esteem in which he was held by citizens in all walks of life and his fellow workmen was shown in the largely attended funeral service on Sunday afternoon, in St. Alban's Church.

Besides his widow, who, before marriage, was Rose Singleton, he leaves a family of six children. They are: Mrs. C. Stapleton, Brampton; Mrs. G. Hurman, Edward, Jr., Matthew, George and Charles, Acton. To all of these who have been bereaved by parting with a beloved husband and father sympathy of many friends goes out at this time. Only one brother is in Canada, Mr. Charles Tyler, of Milliken.

The funeral service was conducted by Rev. E. Brillinger at the home, the church and the grave. Pallbearers were Messrs. J. M. McDonald, G. H. Kohl, P. J. Salt, J. Morton, J. Matheson and D. Lappin, and flower bearers were Messrs. B. Baylis, H. Smethurst, J. Pallas, J. Smith and R. Cross.

Many beautiful floral tributes also bore testimony to the esteem in which he was held and included the following: Willow the Family; wreaths, G. Kohl; the Homebound Family; the Mason Knitting Co.; Toronto Office Staff; Dependable Cutsale Co.; Kitchener; sprays, the Grandchildren; Mr. and Mrs. A. Shee and Nan; Mr. and Mrs. Rout; Mr. and Mrs. Stapleton and family; Mr. and Mrs. P. J. Salt; Mr. and Mrs. H. S. Holmes; Mr. and Mrs. J. McDonald; Norton Motors; Imperial Oil Ltd.; Guelph; basists, Directors and Officers of Beardmore Leathers Ltd.; Employees of Cutsale and Warehouse Departments of Beardmore Leathers; St. Alban's Congregation.

Funeral inspection of D Company was given by Lieut.-Col. Cousens at the Acton Armouries last week. In writing Col. Cousens bespoke for his successor the same loyal support that had been accorded him during his tenure of office. Tangible evidence of the general esteem of the retiring officer was shown, on behalf of D Company, Sergeant-Major J. Alger presented Col. Cousens with a set of military brushes, and an address by Major J. R. Barber, Company Commander, eulogized his worth. Lusty cheers from the men showed they concurred in these remarks.

COL. COUSENS RETIRING

Funeral inspection of D Company was given by Lieut.-Col. Cousens at the Acton Armouries last week. In writing Col. Cousens bespoke for his successor the same loyal support that had been accorded him during his tenure of office. Tangible evidence of the general esteem of the retiring officer was shown, on behalf of D Company, Sergeant-Major J. Alger presented Col. Cousens with a set of military brushes, and an address by Major J. R. Barber, Company Commander, eulogized his worth. Lusty cheers from the men showed they concurred in these remarks.

JUVENILE CATCHER SUFFERS CONCUSSION

Joseph Mitchell, 18, catcher for the Oakville Juvenile Baseball Team, was knocked unconscious by a foul ball during the Acton-Oakville game in Oakville on Tuesday night, in Victoria Park. The injured boy was taken to the Taylor Nursing Home, where he was found to be suffering from severe concussion of the brain and other head injuries. His condition showed improvement and he regained consciousness early the following morning. The concussion is severe and the injuries were quite serious. The ball apparently hit his catcher's mask and dented it. Mitchell is well-known among Oakville Junior athletes. The accident took place in the seventh inning of the ball game, with an Acton player at the bat, and E. Heath pitching for Oakville. The injured boy was carried from the field and rushed to the Nursing Home by officials of the ball club.

SHIRLEY TEMPLE AT THE GREGORY

The fascinating adventures of a little walt and her two grizzled old, sea-salt friends furnishes the story basis for "Captain January," tuneful, colorful Shirley Temple picture, which comes on Monday to the Gregory Theatre, Acton. Somewhere on the rockbound coast of Maine the action of this most delightful of Shirley's pictures is set. She is a nimble-toed little lady of a lighthouse, and her jealousy is kindled by old Guy Kibbee, the lighthouse keeper, who had fished her from the sea years ago. Her other-old salt friend, Slim Summerville, constantly blocks with Kibbee, but when authority threatens to take the little girl away, the two old salts present a united front.

SAVING IT WITH FLOWERS

It cost Canadians more than a million dollars last year to "say it with flowers." Statistics drawn from the returns of 169 of the principal wholesale florists and growers of flowers in Canada show that the amount spent on cut flowers in the Dominion during the year ended May 31st, 1935, was \$1,105,827. The cut flower industry in Canada, exceeds the total of all other categories of the horticultural and decorative plant industry both in volume and value. The total value of the horticultural and decorative plant production is placed at \$1,689,105, of which cut flowers represented 65 per cent.

Of twenty named varieties of cut flowers, the number rooted as sold was 21,580,614 valued at \$1,024,400. The unclassified varieties numbered 2,257,559 valued at \$81,427. Among the cut-flowers, roses, carnations, chrysanthemum, daffodils, iris, tulips, and sweet peas are apparently the most popular. The rose naturally predominates, the number of blooms reported as sold being 8,571,114, valued at \$568,477, an average of 66.81 per 100 blooms.

SH-H!

"Mother," asked little Willie, when there were guests to dinner, "will the dessert not be good for me, or is there enough to go around?"

SPORTS

More Rambling Round in a Knapabout

We couldn't go a whole season without letting Georgetown win at least one game. Don't want to get the name of Hog Town.

Georgetown scored runs in every inning, and ergas helped them get all but three of them.

It is the first off day they've had against Georgetown this year, so we shouldn't be too excited.

Tommy Teifer was back in harness again, and he came through with a hit, in his only trip to the plate.

What a League! What a League! What a League! Georgetown beats Acton easily and Milton beats Brampton by only one run, then Acton swamps Milton and Milton beats Georgetown 23-1. Anything is liable to happen.

It looks like a three team league, and all three teams get into the play-offs. So in the future Acton should be getting in shape to beat Georgetown in the play-offs.

Wheeler got terrible support from everybody, with 9 errors being chalked up. The catcher also let him down terribly, and easy fouls tips were never even tried for.

Manager Smith showed some of the spunk that has carried Brampton through the two years of losing ball games, when he went in to catch, and made a good job of it, too.

Tommy Teifer was in the game again and had three hits and four runs in five trips to the plate. He knocked two balls to the fence, that should have been triples, but then, Tommy never was real speedy on the paths, and was content with two bases.

Bus Morion's knee is a little better and he was back in the game again.

On Saturday the team wore black bands on their left arm, due to the death of Matt. Tyler's father.

It is very seldom you get a chance to see so many home runs in one game. Seven is just about a record.

Mrs. Clement's three sons, Boyne, Dick and Babe, had a field day with five of Milton's six homers between them. They must have been celebrating something.

Well! Acton has yet to win a game from Milton this year.

Provincial Depart. on Garbage Disposal

(Continued from Page One)

The following report was presented to the Board of Health:

On June 15th, 1936, in response to a complaint to the Department, an investigation was made of the promiscuous dumping of household garbage and refuse at various points in the town of Acton.

O. V. Ball in company with Dr. McIlwain, M. O. H. and guided by Mr. G. H. Kohl, inspected various localities in the town where dumping has taken place.

Acton has no regular municipal refuse collection. There is, however, a contractor who does this work under individual contracts. A dumping ground has been provided for the town by Beardmore Leathers Ltd. which is being used by this contractor. This dump is situated at the end of a creek known as "The Green" which overlooks the C. N. Railway tracks. Refuse, etc., is dumped into a deep gully here, controlled dumping in this location should not cause offence to much of the town. There are a few nearby residents, however, who would undoubtedly be affected with the wind in a certain quarter.

Numerous locations in town have been used for the individual dumping of garbage and refuse. The residents on Bower Avenue and its vicinity use the low lying land along the creek bed for this purpose. At one spot in the rear of Cameron Street there is a private dump on the shore of Pally Lake which is fed by the above mentioned creek. This lake is used by local residents for swimming in the summer. The banks of the creek and its vicinity have been used for dumping in many locations. One resident living in the vicinity of this portion of the creek complained to Dr. McIlwain during our inspection of the unbearable stench which rose from the creek at times.

In view of the above observations it is recommended that a by-law be enacted by the local council controlling sanitation in the Town of Acton. This by-law should provide for:

- 1. A municipal dumping ground in a location which will cause no offence to any nearby residents.
2. A municipal refuse and night-soil collection by a contractor having a contract with the municipality.
3. Prohibition of dumping elsewhere in the municipality or its environs.
4. Control of the dumping at the municipal dumping and for the burning of the refuse and covering of offensive material. Dumping should be confined to one point at the dump, which could be fenced to ensure that the whole area will not be used indiscriminately. Paper and refuse should be burnt every few days and ashes or earth used daily during the summer for covering fresh garbage, etc.
5. Segregation of ashes from other material, if desired, and the use of these for covering.
6. Notification of collection days and similar details.
7. The collection of night soil. Payment for this service could be charged back to the householders in their tax bills.
All of which is respectfully submitted.

(Sgd.) A. E. BERRY, Director, Sanitary Engineering Division.

Councillors Mason and McMillan were appointed a committee to draft up plans for a garbage collection and to report back at the next meeting.

The Clerk was also instructed to write to Beardmore Leathers Limited, notifying them that the Council was considering plans to remedy the nuisances in connection with garbage disposal.

The Ajax Engineers requested that the stone slag from the Monument Works be moved to Councillor McCutcheon and Chief McPherson were instructed to dispose of this stone, as the Council had promised to dispose of it when the Ajax Engineers had moved here from Toronto.

Chief McPherson was instructed to review the by-law regarding the sale of cigarettes and tobacco and enforce same.

The Model Dairy was exempt from the Transient Traders' tax, as Mr. Cunningham had made his home here for more than three months prior to the opening of business. He would, however, be billed for the six months taxes.

The Municipal Officer was instructed to take down the sign at the C.N.R. tracks, and to have the Acton-sign at the approach to the town repaired.

It was moved by P. J. McCutcheon, seconded by A. Mason and resolved that August 3rd be regarded as a public holiday in Acton, to be known as Civic Holiday.

The committee reported that the street in front of Miss Ley's beauty parlor needed fixing as water run off the street into the cellar. This work was ordered done.

The Clerk was instructed to write the Department of Highways and find out if the Department was responsible for the highway through town. The Clerk was instructed to notify the Department that the Main Street bridge roadway needed fixing.

The Clerk was instructed to apply all monies payable to persons who had arrears of taxes on the taxes.

MAKES HIS OWN TEETH

Every tooth in his head is his own, yet it is artificial. Field Taylor, of Melbourne, Australia, actor, tailor, inventor, turned dentist by force of circumstances and lack of money, and has himself built from plaster of Paris, thin rubber and aluminium, a perfect fitting set of teeth. Although he has had no instruction, he makes his own suits. Also he has patented an ingenious device for detecting spurious coins.

BLESSING OF MOTORING

"Motoring is surely a great thing. I used to be fat and sluggish before the motoring craze, but now I'm spry and energetic." "I didn't know you motored." "I don't, I dodge."

Facts About Your WATCH

The Best Watch made is no better piece than the worst if the fixed timing adjustments have been disarranged. In such a case, cleaning or re-placing Main Spring, Balance Staff or Jewel, moving the Regulator will not make it keep time. Proper readjustments can be made at far less cost than buying a new watch.
