Brookville, visited in the home of he parents, Mrs. C. Scott.

Rockwood

The garden party and piculo in behalf of Rev. Pather Kehoe's efforts for this Land Settlement above the village was well attended on Civic Holiday in Exhibition Park. A ball game early in the afternoon, between the Rockwood Bulldogs and a team from Guelph was witnessed by a large number of spectators, and resulted in a win for the home team, the score at the conclusion of the game being 8-7. The booths on the grounds presented a regular midway, where a thriving business was done During the latter part of the afternoon and early evening, the Guelph Musical Society Band dispensed splendid music which was enjoyed by the large number present. Supper was served in the hall on the grounds, where everyone did full justice to the good things provided by

the ladies of the church. In the evening, a wrestling match was staged, when some severe throws and punches were dealt. Despite threatening skies and lightning, the crowd held full sway until well on in the evening. Results on the admission tickets. which handsome and suitable prizes were given out, were given by Mr. Stewart S.

Salt was as a sporting offer it speaks volumes for produced during the year in the Provinces of Ontario, Nova Scotla, Manitoba and Saskatchewan, and of the total

quantity sold. Ontarlo contributed 89 per cent., and Nova Scotia, 10 per cent Salt production represents one of the oldest non-metallic industries in Canada, originating during the early years of the nineteenth century when the Hudson's from brine springs occurring in the Mackenzie River basin. The real commencement of the industry on a recognized commercial basis occurred with the discovery of salt in Ontario during 1866. The development in 1918 of the deposits tea. But before the tea is 'manufac- at Malagash, in Nova Scotia, represented the first mining of rock salt in Canada.

ONE EGG COSTS DEALER \$250

How an ordinary hen's egg cost a merchant \$250 has just been reported from Vienna Austria. A housewife went to market and bought a hen. She paid for it, and before she placed it in her market basket the hen laid an egg. The woman claimed it. So did the poultry dealer. The woman sued to obtain the egg. The judge decided in her favor, with \$250
