## BY-PRODUCTS OF HOGS GIVE BIG INCOME

In modern days very little of the hog is wasted. In Canada alone, by-products of the hog that were previously considered and treated as waste now represent millions of dollars of additional income to the live stock industry. The by-products of the hog include skins, from which are manufactured brushes, pigskin, hair, curled hair, upholstery, plaster retardant, felt, glue, sausage, gelatin, gloves, belts, straps, pocket books and shoe counters.

From the fats are manufactured lard, oleomargarine, benzoinated lard, salves, cosmetics, cracklings; poultry and animal feeds, fertilizer, tankage, grease, lard oil, stearine, steric acid, grease oil, lubricants, machine oil, candles, gelatin, glycerin, red oil, wool finishers, fatty acid, tar for roofing and paving purposes, metal polish and soap. Among the many other miscellaneous by-products are pharmaceutical preparations such as pepsin, medicinal tablets, suprarenalin, and insulin. These and many other by-products of the hog, are in addition to its capacity as a food provided in the shape of ham, bacon, pork, tongue, head, liver, kidney, chitterlings, and manufactured fancy meats and meat specialties.

**Dear Bride and Bridegroom:**  
The friends and neighbors of Churchill United Church gather here to-night to express to you our sincere good wishes as you start out in life together. May it be one of real happiness in a life of service to your community.

"We extend to you our good wishes, dear bride, on your good fortune in being blessed with the love of a man with such high ideals. And we congratulate you, Harold, on winning the love and affection of the 'girl of your dreams.' Mingled with your happy emotions we find a note of sadness in the fact that you are leaving our community. We will miss you, Harold, but we trust that your helpful and kindly spirit will win for you in your new community a worthy place. The little church on the hill will always hold in kindly memory your work in the Sunday School Orchestra, and when ever you can come back to drop in and worship with us you may be assured of a warm welcome.

As a slight token of our best wishes we ask you to accept these gifts. Hoping as you use them your thoughts may come to your friends at home. May God's richest blessing be yours in your married life and in the business realm as well.

"God never permits us to form an ideal too beautiful for His power to make real."

Signed on behalf of your friends and neighbors,

## MARRIAGES

### THE CHALMERS-BENNINGER WEDDING

A wedding of local interest took place at Bruce Beach on Friday evening, August 14th, when Ann E. M. Benninger, daughter of Mr. and Mrs. Frank Benninger, of Blyth, was married to Mr. Robert John Chalmers, popular member of the Wingham Baseball Club, and formerly pitcher on the Acton nine, and son of Mr. and Mrs. James B. Chalmers, of Acton. The ceremony was performed by the Rev. Kenneth MacLean. Miss Margaret Campbell was bridesmaid, and Mr. Arthur Sturdy was groomsmen. The bride was very attractive in a white crepe gown of long lines, with navy trimmings. She carried a bouquet of Ophelia roses. Mr. and Mrs. Chalmers will reside in Wingham.

### WRIGGLESWORTH-INGRAM WEDDING

A pretty summer wedding was solemnized on Saturday, August 22nd, at the home of Mr. and Mrs. Wellington Ingram, 29 Caledonia Street, in Stratford, when their daughter, Ethel Jane, became the bride of Clarence W. Wrigglesworth, son of Mr. and Mrs. V. E. Wrigglesworth, Erli. Rev. W. Stanley Owen officiated. The house was arranged with a profusion of flowers. Gladioli, ferns and snapdragons were bunched to set off a bridal arch of white, with pink petunias and myrtle. The bride, given in marriage by her father, wore a gown of blue pink silk organza, with a coronet of flowers. She carried roses and lily-of-the-valley. Miss Martha Scoble, as bridesmaid, was gowned in turquoise blue sheer. Her flowers were Tallulah roses. Mrs. Wrigglesworth's brother-in-law, the bridegroom, was groomsmen. The wedding music was played by Mrs. G. Heimbach, cousin of the bride, who chose a frock of Martha blue sheer. During the signing of the register, Mrs. Ernest Drayton, Toronto, sang: "I Love You Truly." Mrs. Drayton's frock was of navy sheer. Mrs. W. Ingram chose for her daughter's wedding a gown of black and white. Her shoulder bouquet was of sweetpeas and lily-of-the-valley. Mrs. F. E. Wrigglesworth, mother of the bridegroom, was gowned in black triple sheer. The bridegroom's gift to the bride was a chest of silver; to the bridesmaid, a gold compact; to the pianist, a suede bag; to the soloist, a boudoir box; and to the best man, a signet ring. Following the ceremony a wedding breakfast was served. Those assisting were Miss Catherine Ingram, sister of the bride; Miss Doris MacDonald, Mrs. Clarence Ingram, Toronto, Miss Irma Kincaid, Miss Ruth Pinkney and Mrs. Glen Ingram. Later, Mr. and Mrs. C. W. Wrigglesworth left on a wedding trip to Muskoka. Upon their return they will reside in Stratford. For travelling the bride wore a dress of Spanish wine sheer with cream embroidery. With it she wore a cream swag coat, wine hat, shoes, bag and gloves. Before leaving she took her bouquet to the hospital to her aunt, Mrs. Ernest Lawton, who has been seriously ill. ## SPORTS

**More Rambling Round in a Runabout**

With the next game billed for Saturday in Acton, the whole countryside will be out to see the battle.

If the series goes to five games, the fifth game will be played on neutral grounds.

But Acton is out to finish the series next Saturday. Quite likely Milton will deny that statement.

Milton pulled off some smart double plays that were good enough for anybody's ball game.

And Waterhouse and Tyler pulled off a couple of catches in the outfield that brought the fans to their toes.

Milton diamond was the better of the sprinkling before the game. The dust was effectively laid.

The series has seen variety in the ump. Preston, Hamilton and Galt have contributed the officials thus far.

In spite of the fact that Milton had four errors to Acton's one, Acton failed to win the game.

It was a change from last week. The longest clout on Saturday was a two-base hit.

Hits were evenly divided at ten apiece.

Sportsmen from all over this district mourn the death of Angus Duncan, of Georgetown. His was a familiar and beloved figure with the Georgetown Junior Hockey Boys, and his death is a loss not only to Georgetown but to the district. His work among the younger boys in advancing them in sport was a splendid one. We might write a lot of good things about Angus Duncan, as we knew him. But it's all summed up in a few words, "He played the game."

## Good Gardening

**"Bobbing" to get more blooms**

Catmint or Nepeta Mussini is a herb which makes an ideal plant for various places about the garden. Its silvery gray foliage and lavender-blue flowers are strikingly beautiful. The Catmint remains longer than most flowers. If when the flowers finally begin to fade they are sheared off or "bobbed," as shown in the above Garden-Graph, the plants will reward you efforts by blooming again shortly afterwards. Catmint plants grow from one to two feet in height.

This herb is not particular as to what kind of soil it is planted in, and it will thrive in the sun or in half-shade.

In England Nepeta Mussini is a favorite bedding plant. In this country it is used especially in rock gardens and as a border plant in perennial gardens.

## FIRE-BUGS SET FORESTS ABLAZE

Charges that many of northern Ontario's forest fires this year are the work of incendiaries is backed up by the provincial government's \$1,000 reward for arrest and conviction of firebugs. ABOVE is pictured one of the ways in which forests are set ablaze, according to rangers. A candle, placed in a tin filled with dry twigs and surrounded by leaves is left burning. Meanwhile, the firebug can be far away in another part of the country before the fire starts. Little evidence is left—the candle burns and the tin is just another tin that might be found near any camping ground.
