WHAT PRICE FOOT TROUBLE?

Weak, inrolling feet throw the whole body skeleton out of line—cause foot arches to collapse—cramping nerves and blood vessels. Knees and hip joints are most affected by trying to compensate for the unbalanced foot conditions—aches and pains develop often mistaken for more serious ailments.

WHAT PRICE RELIEF?

The price of RELIEF—Positive relief—is just one pair of HEALTH SPOT SHOES scientifically constructed to straighten up weak feet—restore normal alignment to foot bones. What feet function correctly—strain is removed from knee and hip joints—often relieving pains of long standing. INVESTIGATE HEALTH SPOT SHOES TODAY — ONE PAIR WILL CONVINCE YOU
