A ghost walk, a treasure hunt, a scavenger hunt and other amusing games combined to make the Halloween party of St. Alban's A. Y. P. A. on Tuesday night, a great success. The young people greatly enjoyed themselves when hunting the treasure (peanuts). For half an hour after this game they hurried from house to house on the scavenger hunt. Points were awarded to the winning team in the various games. When they returned to the Parish Hall, they engaged in the very interesting Pass-the-Apple Relay. Mr. G. Simpson, won the Cheshire Cat contest. The young people had to recall their Public School geography when playing Country Capers. The hall echoed to the shrieks of the girls during the ghost walk. A delightful lunch was prepared and served by Mrs. A. Ritchie, Miss G. Almas, Mrs. V. Alger and Miss L. Waller.

GOOD DEMAND FOR SHIPPING TURNIPS

Ontario turnip shippers report a brisk demand for shipping turnips. They further state that the first ten days of October have been the busiest in years with rutabagas going into consumption and not for storage. In view of the fact that the turnip crop is only about one-half of what it was a year ago, they are expecting a brisk demand for all turnips that are available for shipping before the season closes. Turnip shippers offer the following suggestions on the harvesting and marketing of the 1936 crop.

"In the past five years we have noticed many beautiful patches of turnips simply ruined by careless handling and storing, and therefore, rendered completely unfit for shipping and could not be passed by Government inspectors. It is necessary to hand pull, hand trim, pick up by hand, not with pitch fork, in some sections we have found the turnips pulled for three or four days and generally on Saturday but then into the root-cellar, when the children are home from school, and in this way the turnips lose the beautiful natural bloom that is so attractive when offered for sale. The proper way is to store each night what has been pulled that day. They should be cull the shipping turnips as they are taken from the fields and store the different sizes separately in the coolest storage that can be secured.

properly is very small in comparison with the results obtained and we believe the cost would not be more than a cent or a cent and a half per bushel. We are to-day paying 26c per 50 lbs. delivered from the fields and we are fully expecting that considerably higher prices will prevail before the season is over."

NO HOCKEY IN GUELPH

It was announced on Tuesday morning by C. L. Dunbar, K.C., on behalf of himself and fellow-holders of the mortgage on the Palace Arena, on Cambridge Street, Guelph, that the building will be closed immediately, as for all sports that require use of the heating equipment are concerned. Mr. Dunbar spoke for himself, Evan Macdonald and Harry Quarmby, who are the three remaining holders of the mortgage on the rink. Mr. Dunbar pointed out that the rink will not be closed to the sports that do not require the heating plant to be used. However, in the case of hockey, the dressing rooms and showers need the heating plant in full operation. Boxing and wrestling shows, said Mr. Dunbar, will be permitted in the rink, since they do not require the heating plant.

Masonic Order Hold Church Parade Sunday

Walker Lodge Attended Service in United Church—Sermon by Rev. Bro. Morrow

On Sunday evening members of Walker Lodge, A.M. & A.W.M., and visiting brethren, paraded from the lodge hall and attended service in a body at the United Church, where a section had been reserved for them.

This sermon by Rev. Dr. Morrow, a brother of the graft, was of especial Masonic interest, "Building the Temple." Rev. Wm. McDonald, of Galt, assisted in the service. The brethren were welcomed to the service by the speaker, and the text was the 17th verse of the third chapter of first Corinthians: "If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye are."

As a prelude for the sermon Dr. Morrow told of the origin of the Order. It was one of the oldest orders in the world, and dated back to the time of King Solomon, in 1100 B.C. It had been founded at the building of the temple and carried down through the ages. It was an important part of the church and in its upbuilding, but it did not supplant the church. The discourse was one enjoyed not only by Masons but by the other members of the congregation.

The choir anthems, and service of music were also a feature of the service.

JACK RABBIT BEATS WHOLE HERD

Yesterday Joe Reid, was installing an electric service on the farm of Mr. A. J. Murray, when, from his vantage point on a pole, he noticed the herd of cows on the farm forming a circle around something in the field, and apparently quite agitated. The animals kept cloaking in the circle, and naturally Mr. Reid wondered at the cause of such a disturbance. Suddenly a big jack rabbit broke through the ring and made his escape. We don't know the size of the rabbit, but the story's correct.

A PRESENTATION TO MR. AND MRS. PETER HILTZ

Mr. and Mrs. Peter Hiltz were deeply appreciative of the kindness of the many friends in the community, some of whom met on Tuesday evening, October 15th, at their home on the 15th, to present them with a short program presented to them the following address, with gifts:

Mr. and Mrs. Peter Hiltz, Acton, Ontario.

Dear Mr. and Mrs. Hiltz:

As neighbors and friends, we have met in your home to-night to enjoy with you an hour or two of fellowship, but more especially to assure you that the loss which you suffered this summer was of deep concern to us, as well as to you. And, here with us, we find a kinship, a fellowship, which to-night has found expression in a special form. All we have losses sometime, to some extent, but to have suffered the loss by fire, of your house, barn, and contents, among which are a life-long accumulation of personal gifts and interests, is something irreparable, and for which we are very sorry.

We do not wish to recall the scene or thoughts of the tragedy for we believe we should try to forget it as soon as possible, but to-night we simply wish to acknowledge to you what has caused you pain, has been a loss of deep concern to us, and while expressing sincere sympathy we wish to remind you of the words of St. Paul—"Forgetting those things which are behind, and reaching forth unto the things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." "God is our refuge and strength and a very present help in time of trouble." Therefore will not we forget you much of real lives will bring future years of your lives, spiritual enjoyment, and opportunity for useful service for others, which is the secret of much happiness.

On behalf of the community, as a token of our love and sympathy, we wish you to accept this gift, with our best wishes.

Signed on behalf of the community:

MRS. W. J. RUTLEDGE, ROBERT KERR, ANGLUS THOMPSON.

A HARD-TIME PARTY

The meeting last evening of the Duke of Devonshire Chapter of the I. O. D. E. was quite a novel gathering. The members assembled, wearing hard-time costumes and varied indeed were the times represented by the outfits, but all were relics of any but the present time. Prizes were won for costumes by Mrs. W. G. Cullen, first, and Miss P. Hurst and Miss M. Jackson, tied for second place. Contests and games had a variety of winners, with prizes in keeping with the spirit of the event. Even the lunch served had cracked dishes used and might be termed more substantial than dining. Miss Marguerite Ryder had rearranged her rooms at her home to make the setting in keeping with the hard-time aspect of the affair.

EMPLOYMENT IMPROVES

Employment in Canada during the current year has maintained a considerably higher level than in 1935. The gain of employment in manufacturing plants, unaffected to any important extent by relief measures, has continued without important interruption since July, 1933, when the turning-point of the employment cycle was reached. The index of manufacturing employment advanced seven per cent. higher in 1936 than in the preceding year and the gain on September first over the same date of 1935 was 5.1 per cent. Contributing to that advance, most of the principal industries recalled their working forces in considerable numbers.

Reports from 9,967 employers show 1,014,532 persons at work on September first, a gain of 14,567 over August first. At the beginning of September a year ago 9,365 employers reported an aggregate payroll of 664,647. Reflecting the improved conditions, the index of employment stood at 107.1 on September 1st, 1936, compared with 102.7 on September 1st, 1935.

In the Inter-County competition, held on the last day of the match, the Halton team, composed of Stanley Puller, Geo. McCormack and Craig Reid, placed fifth in competition with teams from fifteen other counties of the province. Halton mouldboard enthusiasts are most happy regarding the showing made by the boys, and are looking forward to a record breaking County Match, at J. G. Royce's farm, near Hornby, on November 6th.

APPLES SOLD WELL

With the finest of Canadian rosy red apples offered for sale by smiling Boy Scouts, Apple Day last Saturday was quite a successful affair for the Acton Troop. They disposed of eight bushels of apples and netted \$35 for the Scout funds. Most everyone could not resist being lugged once or twice and with the splendid apples offered even another tag didn't matter.

An Inspector Clarifies the Relief Work

Council and Board Meet with Inspector McDonald Last Night

A combined meeting of the Council and the Welfare Board was held last evening to discuss the new regulations of administering relief and the advisability of making any changes to conform with these new arrangements.

Mr. McDonald, Inspector of the Provincial Government, was present to discuss the matter with the Council and the Board. It was pointed out that the Council was primarily responsible for the administration of relief in the municipality. The Provincial Department had been satisfied with the administration of relief in Acton and it would seem that the present plan was functioning satisfactorily.

Mr. McDonald pointed that were bothersome in the administration of relief were asked the Inspector, who clarified the regulations. A vote of appreciation for the help given was moved by Reeve Harrison, and seconded by Mrs. Arnold, and Inspector McDonald expressed his willingness to help at any time with any difficulties which might arise.

GLEN WILLIAMS UNITED CHURCH HARVEST HOME

Sunday and Monday last were special days for Glen Williams United Church. Rev. W. P. L. Bralley, B.A., of Hamilton, spoke on Sunday morning and evening, most earnestly presenting Jesus Christ as real in our lives if we just take Him earnestly. "Sin lurks in every corner, but if we 'Behold the Lamb of God' He will take away all sin, and all men will be brothers, sharing each other's burdens," he said.

Special music by the Glen Williams choir was much enjoyed in the morning, and in the evening the Ashgrove choir very kindly contributed in excellently rendered anthems, and a solo by Miss Ruth Giffin was very much enjoyed.

On Monday evening a fine supper, prepared by the Women's Association, was very well patronized by friends far and near, and a large crowd of people, after partaking of the supper, went up to fill the church auditorium to enjoy the splendid entertainment which followed, given by the members of the Ashgrove Choir and Orchestra. Several choir selections, duets, ladies' chorus, piano solos, vocal solos, and orchestral selections were heartily applauded. Inter-spiced with these were well chosen and capably rendered elocutionary numbers by Mrs. G. J. Wilson, which delighted everyone with their humor and pathos. Rev. H. Eyre, B.A., D.D., of Hornby, brought greetings from the Ashgrove congregation, giving a most interesting and address. Much appreciation was expressed by the pastor, Rev. G. I. Stephenson, for the beautiful entertainment and kindly spirit of the Ashgrove friends in giving so generously of time and talent. The Sunday Harvest Home services and Monday evening entertainment has proved a great blessing and inspiration to Glen Williams United Church congregation, for which they are grateful to all who helped in any and every way. A hearty invitation is extended to all to attend the services of worship every Sunday evening at 7.00 p.m.
