U. F. Y. P. O. MEETING

The U. F. Y. P. O. held their regular meeting at the home of Mr. Fred Johnson on Thursday evening. The President, Mr. Melvin McCullough, was in the chair. After the business, the following program was given, with Mr. Elwood Johnson in the chair.

Piano solo, by Miss Jean Barbour; reading, Miss Donaldia McPhail; mouth

organ selection, Mr. Bill Crofta. Mr. Hetherington, the U.F.O. Director for Halton County, then gave a very helpful address. Walter Linham gave a short speech on the County work. This was followed by a reading by Howard Switzer. The meeting closed by singing the National Anthem. Lunch was served and the remainder of the evening spent in dancing. A vote of thanks was moved to Mr. and Mrs. Johnson for their hospitality.

SPORTS

The awaited O.H.A. grouping came on Saturday.

What disappointment!

When the hockey games will come is another question to be answered after it is found who will be to play with.

Looks as if the O.H.A. needs a revised list to pick teams from.

The Juniors aren't particularly delighted over that winter trip to Orangeville, and against the Guelph team, that's as usual well pedded. It will be a tough row.

In the Intermediates there's another vacancy again this week.

Keith Scott, defence man, went to the gold fields at South Porcupine last Friday.

Scott came from Gravenhurst last year and proved a valuable player.

Again we're sorry to see him leave. But wish him a lot of luck and a pot of gold.

That makes four this year from Acton hockey circles for the North.

We hope the North soon have all the players required or that some other place fills the remainder of the vacancies.

Guelph seemed quite satisfied with the Intermediate group, when it was a group.

Again we suggest an exhibition game before the schedule starts.

We don't predict a barrel of money out of it but just a sort of preliminary canter would sort of get fans hockey conscious, you know.

Y Activities

BADMINTON VISITORS

The Badminton Club entertained the members of the Eglinton Club, Toronto, on Thursday, and the evening was thoroughly enjoyed by everyone. Acton finished one game up, the score being Toronto 6, Acton 7. The closeness of the games will be recognized in the fact that the totals for all the games were Toronto 152, Acton 150. After the tournament, the Acton Club were hosts and hostesses for a happy social hour with the Toronto group.

Y SENIOR GIRLS' CLUB

The Senior Girls' Club of Acton Y.M.C.A. held their regular meeting on Tuesday. Following the supper, the group enjoyed a sing-song and then the guest speaker, Mrs. C. L. Kirkness, was introduced. Her talk on "Courageous Women" was most interesting and challenging. The usual gym class and games brought the evening to a close. The President, Betty Waite, was in charge of the meeting. The Club is growing in interest and enthusiasm, and older girls and young women are invited to come and enjoy the fun and benefit of the program. The next supper will be on December 15th, and then on December 22nd a special Christmas program is to be held.

Obituary

WILLIAM THURTELL, Wilmette, Ill. Many older residents and friends in Acton will regret to learn that Mr. A. T. Brown received word of the death last Tuesday of his uncle, Mr. William Thurtell, at Wilmette, Ill. He was in his eighty-seventh year. Mr. Thurtell had been ill about two weeks and succumbed to a heart attack. He spent his early boyhood and young manhood days in Acton, working at Knutehill as a blacksmith with the late Anthony Stephenson. He attended Acton school and the then famed Rockwood Academy. As a young man he went with the Acton Company, at the time of the Penlan Raid, and was stationed at St. Catharines. Comrades of those days have all passed on, John Cameron, John Hill, Col. Allan and others.

About sixty-five years ago he went to the United States and for some time was engineer at Kankakee, Ill. Later he went to Chicago, and for years has resided at Wilmette. Mr. Thurtell was of old English descent and could trace his ancestry back 1300 years, whence the family name was originated as Thorbelt, who was a Danish prince.

Only one brother remains, Richard, of Ingersoll. Interment was made on Thursday at Kankakee, Ill. The funeral was under Masonic auspices.

MRS. ADA WILLIAMSON Toronto

Following a brief illness the death occurred on Monday evening at the Toronto Western Hospital of Mrs. Ada Wollerton Williamson, widow of Rev. J. S. Williamson, who, for more than fifty years served in Ontario as a Methodist minister. Mrs. Williamson resided at 90 Regal Road. She was in her eighty-fifth year and had been active and keenly interested in life until stricken last Friday with the illness which proved fatal. She was well known and greatly beloved by a large circle of friends, made during the years she accompanied her husband on the pastorates which he served in Hamilton, London, Brantford, Niagara Falls and Chesley. Mrs. Williamson was born in Hamilton, the daughter of the late Dr. Wollerton. She went to Toronto with her husband at the time of his retirement, about 1918. She was a member of Westminster United Church, and was interested in the Women's Missionary Society. She is survived by three daughters, Mrs. H. Bingham, wife of Dr. H. H. Bingham, pastor of Walnut Road Baptist Church; Mrs. J. E. Gibson, wife of Dr. J. E. Gibson, and Miss Nellie Williamson, all of Toronto. Interment was made in a Hamilton cemetery.
