RETIRING SUPERINTENDENT IS HONORED

On Sunday last, Mr. H. N. Brown, the Superintendent of Knox Sunday School, who has held the position for several years, but resigned at the close of 1936, was presented with an easy chair and magazine rack. Mr. R. Spielvogel read the following address:

Dear Mr. Brown:

We, the Officers and Teachers and Members of the Orchestra Class of Knox Church Sabbath School, have been aware of your desire to withdraw from the Superintendency of our School for some time, but have always hoped that you would keep on "continuing" in that office for a long and indefinite period. We have realized how hard a task it has been upon you in your physical condition and what a great tax it has been upon your time and your duties, and so when the moment comes, in which you must withdraw, it is with great reluctance that we see you go.

You have been most faithful in your work in our midst and have ever held up before us the true ideals of a Sabbath School. You have sought to win the children by precept and example to the love of God, and allegiance to His Son our Saviour, Jesus Christ. Your voice has ever been raised to the honor and glory and beauty of the world, in which we dwell, and have reminded us all of the common things in life, in which we see the plan of a great Divine Creator.

During your years of office, our school has gone through difficult days which have been felt by all, but in spite of this, you have kept up our standard and attendance, and have added to its attractiveness and given us of your sagacity and wisdom in planning for the future.

We cannot let you leave us without trying to convey to you a token of our own, and the boys' and girls' esteem and so, we wish to present this, as an earnest of our respect and affection. We trust that many days will be yours to enjoy it, and to remember your friends and workers of Knox Sabbath School.

Signed on behalf of the Teachers and Officers and the Orchestra Class on this, the second Sunday of January (10th), in the year of Our Lord, one thousand nine hundred and thirty-seven.

H. L. BENNIE,
P. L. WRIGHT,
ROYLT. MZARTYR,
MRS. E. J. HASSARD,
R. SPELVOGEL.

Mr. Brown made a very fitting reply, and said he was sorry he was forced to relinquish the post, but his health would not allow him continue any longer. Among those present were Robt. Wallace, Henry Awrey, Fred Blow and Harry Malnprise, from the officiating of the church. Mr. W. M. Cooper, an Elder, was Superintendent of the Sunday School for the day.

WOULD HE WANT IT?

"Do you think you can make a good portrait of my wife?"

"My friend, I can make it so lifelike that you'll jump every time you see it."

SELF DEFENCE

Customer (having rough shave): "I say, barber, have you got another razor?"

Barber: "Yes, why?"

Customer: "I want to defend myself."

ANOTHER SCOTCH STORY

A Scotchman was telling about his trip back to the Old Country after an absence of fifteen years. He found his father and three brothers wearing long beards.

"How come?" he wanted to know.

"Because," explained the old man, "ye took the razor off with ye."

MARRIAGES

WALE-JENNINGS

At noon on Saturday, January 2nd, a very pretty wedding was solemnized in St. Alban's Church, Acton, by Rev. E. Brillinger, when Edith Ruth, elder daughter of Mr. and Mrs. John Jennings, Acton, became the bride of Frank Ernest Wale, youngest son of Mr. and Mrs. Herbert Wale, of Brampton. The bride looked charming in a gown of Coronation blue, trimmed with pink satin and blue accessories, and carried Sweetheart roses. She was attended by her sister, Frances, who was becomingly attired in a powder blue crepe frock, with pale yellow trimmings, and carried Johanna Hill roses. The groomsmen were Stanley Wale, brother of the groom. Following the ceremony a reception was held at the bride's home, where the bride's mother received in a gown of navy blue crepe, wearing a corsage of Pernet roses. Assisting was the groom's mother, attired in a brown crepe de chine dress, wearing yellow roses and lilies of the valley. About 30 guests attended the reception. Later the couple left on their honeymoon for points east, the bride travelling in a crowded ensemble. On their return Mr. and Mrs. Wale will reside in Brampton.

PENTON-SAGASKI

An interesting wedding took place on Monday evening at the home of the bride's sister, Mrs. J. Vickery, when Mary Kathleen, elder daughter of Mr. and Mrs. B. Sagaski became the bride of William John Penton, only son of Mr. and Mrs. Penton, Toronto. The ceremony was performed by Rev. E. Brillinger. The bride, given in marriage by her father, entered the room as the wedding march was played by Mrs. W. J. Hall. She wore white crepe with long full sleeves, caught in at the wrist, a rolled neck, with white flowers on her shoulder, a bridal wreath of orange blossoms was on her hair and she wore white kid shoes. She carried a bouquet of Butterfly roses. She was attended by Miss Eleanor Taylor of Toronto, in turquoise net over crepe, with white accessories and carried American Beauty roses and Baby's Breath. The groom was supported by Mr. Sam Floyd, of Toronto. Mrs. Sagaski, the bride's mother, was in navy blue voile, with white polka dot and wore a corsage of roses. A dainty wedding repast was served after which the bride and groom left for Toronto. The bride travelled in brown cut velvet and brown accessories to match.

ORCHESTRA HONORS BILL HALL

On Sunday afternoon members of Knox Sunday School Orchestra honored one of their members, Bill Hall, who has gone to Toronto. Mr. Carney Byrne read an address and the presentation of a cigarette case and lighter was made by Vernon Agnew.

Dear Will:

It is with feelings of regret that we learn of your intention to leave Acton to reside elsewhere, and by so doing sever your connection with Knox Church Sunday School Orchestra, of which you have been a member since its formation.

You have always been willing to do your part in helping to make it a success and we have enjoyed and appreciated your company and assistance very much.

We hope that your action in leaving this community will prove to be of benefit to you in every way.

Should you ever return to Acton at any time we will be glad to have you with us again.

We, the members of the orchestra, join in wishing you all success in your new surroundings.

Signed on behalf of the Knox Church Orchestra.

R. SPELVOGEL, Leader.

CHICKENS IN THE SEA

Ever hear of chickens in the sea? They are not related to any of the feathered families, but are members of the herring clan. "Digby chickens," the name more popularly used in the various fishing areas and markets, are the smaller sea herring when prepared for the consumer by smoking. They have long been produced in the Maritime provinces, and are still in demand, though herring are marketed in several other forms—example, fresh, kippered, and canned.

Herring are taken in the British Columbia fisheries and in Canada's inland catch is marketed fresh and off the Pacific coast the herring landings are largely used in preparing dry-salted fish for the Orient, and in manufacturing meal and oil.

While "Digby chickens" have no physical resemblance to farm chickens, there is one point of likeness. It has been found that fresh herring and chickens are much alike in protein content—in the case of chickens the percentage is 13.7 and in the case of herring 13.2.

GOOD REASON!

Hubby: "What possessed you to choose lemon color for your new dress?"

Wife: "Because I had such a job squeezing it out of you."

Intermediates Won Two Games

(Continued from Page One)

was pretty well an indication of the game.

Walters and Marzo combined on the first attack and Jotham went down on the ice to save a score. Terry backhanded a shot that hit him on the head and it looked as if Guelph would need a new reminder. The game was less than two minutes old when Lindsay rang up the first tally for the locals. Meron was in but Greer saved the score. Morrison went to the penalty box and E. Marzo hit the goal post when he was right in on Guelph. I. Marzo was right in but Jotham squatted to save a score. Sloan was outguessed by Greer on his effort. After 11 minutes of play Walters shot a stiff one from the blue line that Jotham failed to see and put the count at 2.

Sloan missed a pass when Greer was out of his net and J. Marzo went to the penalty box and Jack Kentner followed him. Walters missed the open net and while Acton was short Gibbons gave a nice exhibition of ragging the puck. DeBrook was right in, but Greer beat him. Both teams were playing wide open, but Guelph just didn't have the speed of the locals.

Walters went off early in the second period and Guelph tried hard to score. Brill was right in but missed. At 1:25 Lindsay made it three while Acton was a man short. DeBrook missed the open net and a beautiful chance to score. Mooney went in but was beaten by the goalie, but came right back on a solo effort and scored at 5 minutes. Goal No. 5 also came from Mooney when he combined with Kentner and Walters on a nice rush just a minute later. DeBrook was banished. Terry made the count six in another minute on a pass from Kentner. Walters went to the penalty box again and Terry hit the goal post on his shot. Meron was in on Greer but he sat on the puck. Guelph just couldn't bulge the twine although they had plenty of chances. Walters got a high stick on the nose and he retired. Sloan and Morrison were both beaten by Greer on their effort. Mooney drew a penalty. Guelph's first counter came in the last minute of the period when McMillan put a rebound shot past Greer. Terry missed the open net when he and Marzo combined on a rush. 6-1 was the verdict after 40 minutes of hockey.

Guelph went after goals in the third period. Brill missed when he had only Greer to beat but, after a minute and forty seconds, Kaiser got a goal from a nice solo effort. He was in again, but Greer beat him. Acton, with a four-goal lead, eased up on the play. Morrison shot over the top of the net when Greer came out to check him. Esard was in but Jotham beat him. Sloan was banished for a rest. I. Marzo made a sweet play through the whole Guelph team and Jotham fell to stop the shot. In a scramble Lindsay just missed scoring, and the referee's shins stopped a hot one. Lindsay went in and four or five went to the ice and Jotham was laid out again.

Jotham beat Terry when he was right in and did the same for Esard. Walters missed on a couple that looked labelled for counters. Gibbons got the seventh goal when he picked up a rebound off the goalie's pads. Couling drew a penalty and E. Marzo was sent to keep him company. Jotham went down to save Kentner's shot and Greer came out to beat Sloan. The final score came when Terry took E. Marzo's pass at eighteen minutes to wind up the game at 8-3, and the third win for Acton.

The line-up was:

Guelph—Jotham, goal; Couling and Brill, defence; Sloan, centre; DeBrook and Kelly, wings; McMillan, Kaiser, Morrison, Meron and Beatty, alternates.

Acton—Greer, goal; Kentner and Walters, defence; Terry, centre; I. Marzo and Lindsay, wings; Gibbons, Esard, Mooney, Marzo and Anderson, alternates. Referee—A. N. Oliver, Galt.

POOL AGAIN

William C. Durant, founder of General Motors, who made and lost \$120,000,000, has opened a lunch room in Asbury Park, New Jersey. Durant founded the Durant-Dort Carriage Company in 1905; he organized the Buick Motor Car Company and in 1909 the General Motors Company. Then he purchased Cadillac, Oakland, Oldsmobile and Northern Companies, and in 1921 organized Chevrolet Motor Company. He was ruined financially on several occasions, and although 74 years of age, he starts all over again as the proprietor of a lunch room.

ACCIDENTS AND COMPENSATION UNDER THE WORKMEN'S COMPENSATION ACT

The figures for the Workmen's Compensation Board of Ontario for the year 1936 show a total of 61,362 accidents reported during the year, as compared with 58,546 during 1935, and is the largest number since 1930, when the total was 69,267.

The fatal accidents numbered 375, as compared with 287 during 1935.

The total benefits awarded during the year amounted to \$5,573,597.15, as compared with \$5,314,112.87 during 1935, the 1936 figures being made up of \$4,514,864.79 compensation and \$1,058,732.36 medical aid.

Taking a basis of 300 working days, the average daily benefits awarded amounted to about \$18,580, requiring an average of 863 cheques per day. The average number of new claims reported daily increased from 105 in 1935 to 205 in 1936.

The accidents reported during December numbered 5,445 and the benefits awarded amounted to \$637,283.92.

NOT AT ALL!

Teacher: "Now, Robert, what are you doing? Learning something?"

Robert: "No, sir, I'm listening to you."

EVEN MORE SO

Busy Magnate (testily): "Well, what do you want? Be short!"

Prodigal Son (trailing to the occasion): "I will! I am!"

SHOULD HEY

"John, I'm sure I heard a mouse squeaking somewhere."

"Well, what do you want me to do? Oh! It?"

IN BAD SHAPE (?)

The local doctor, strolling along the village street, saw one of the old inhabitants seated on a chair in the doorway of his cottage.

"Well, Thomas, how are you?" enquired the doctor.

Thomas: "Well, I be better than I was, sir, but I ain't so well as I was before I was as bad as I be now."

"Tally!"

THE WHOLE TROUBLE

"Do you know why your stories aren't a success?"

"I can't imagine!"

"Yes, that's the whole trouble."

HIS CALLING

"My son is a jack-of-all-trades. What shall I do with him?"

"Buy him a drug store."

Under the Hood!

When you lift up that hinged hood of the 1937 Ford V-8 you'll find that Ford engineers have not spent all their time on the outward appearance of this new model.

One lift of that hood and all parts of the engine are readily accessible. The oil and water openings are ready to be serviced. And this year the battery is accessible from beneath the engine hood. It's a model of compactness and easily serviced. You'll appreciate it every time you drive up to a station to have your car serviced.
