

The fifth meeting of the H. L. B. was held at the residence of Dr. R. W. Patterson, on Friday evening May 14th. The meeting was unusually interesting, owing partly to a drama composed for the occasion by two of the members. The rest of the programme was also of an interesting character. We give it in full:

Opening Hymn—"Happy Band,"	By the Band
Reading of the Minutes,	L. M. Patterson
Selection—"Young Lochinvar,"	J. V. Patterson
Instrumental Solo—"Homeward March,"	K. E. Beebe
Essay—"The Pen,"	F. E. Streeter
Instrumental Solo—"Le Tremallo,"	
Reading of the Paper—Part I,	K. E. Beebe, Editor
Recitation—"Father Avery,"	B. G. Mackie
Vocal Duo—"Shepherd Boy,"	B. E. Baker and M. L. Fischer
Reading of the Paper—Part II,	K. E. Beebe, Editor

DRAMA—THE POET.

Dramatis Personae	(Mrs. Whaley,	A Widow
	Cecil Whaley,	Her Son
	Betty,	Her Domestic

The above was a tragedy in three acts. During the intermissions between the acts, refreshments were served. The meeting was enjoyed by all, and it is hoped, that at some future time, the H. L. B. will have another meeting.

MAYOR BOYINGTON'S inaugural will be found on the first page, and we hope all will read it carefully so as to know what subjects of a public character need or require consideration. Mr. Boyington was elected without opposition, and we are glad to know that he is free from pledges to any one, and that he proposes to represent all the interests of the place justly. We believe he is not interested in any ring which has gold in it, or brass, to build gas works, water works or even an interest in a team of horses with which to work on the streets, but that he intends to be spotless and free from taint of official corruption and that our overflowing treasury will be left to flow as usual up hill or down hill, as the case may be. The Mayor's suggestions as to water works, school-houses, street lamps, finances, depot, etc., are all practically handled and deserve attention.
