# HECKERS' FARINA.

A Delicate and Appropriate Food for all Seasons.

*PREPARED EXPRESSLY FOR FAMILIES, HOTELS AND EATING HOUSES.*

And one of the most economical, nutritious, and wholesome preparations ever brought to the table, eminently combining the gratification of the palate with ample and healthful sustenance of the body. Is made entirely from wheat, and consists of granulated particles of the berry adhering to the outer pelicle after crushing. It is an especially nutritious food for invalids and infants, and a most delicious dessert when made into jelly or blanc mange, and served with sauce or fruit.

**ICE PUDDING.**—Boil in a Farina boiler three pints of milk, or one quart of water; whilst boiling, sprinkle in slowly one quarter of a pound, or four large tablespoonfuls, of Heckers' Farina; continue a brisk boiling for about half an hour; when done, turn it into jelly-moulds, and place it in ice or in cold water to stiffen.

**HECKERS' PARTLY COOKED ROLLED OATS.**
