Miss Alma Streiber went to the city this morning to visit friends. She will remain over Sunday.

The Every Thursday Club held their regular hour at F. M. Evans yesterday. They are a jolly crowd and if it is true that everyone that laughs adds another link to one's life, several links were added to the lives of some present.

Don't read that little poem on page 9, certainly if you are a business man or woman; if you do, something will be learned to your advantage. We can't give away the name of the "colored pusson" who wrote it, but he is a local genius.

Early in the week, Charles Kuist was called to the residence of Geo. S. Bennett to extract a "rat" from the furnace pipes: the workman was somewhat surprised to find a rabbit. The animal had evidently crawled down the fresh air flue and gone into the register pipes through the furnace.

Our friend, Earl Purdy, one of the Park's enthusiastic wheelmen, has taken the agency of the Waverley bicycle, one of the best and most popular wheels in the country. One thing about the Waverley is, they don't tax you with \$15 to \$20 extra for the name. Go and see Mr. Purdy early and look over what he has to show you.

The editor is deeply grateful for the many kind attentions he has received during the week, shut up in his home. The grip rang his door bell Monday night and on being refused admittance hung about the premises, like a concealed burglar, all the week hoping to hook on, but we kept to the house and said "shoo" once in a while through a crack in the door, and finally Saturday he left us in peace.

Among those in attendance on the Sunday school convention Wednesday was Mrs. Dr. F. C. Knight of Waukegan, and formerly of Libertyville. Mrs. Knight has for years been one of the most prominent and best Sunday school workers in Lake county. She makes it a point to attend those conventions, county, state and local, and makes her home a refuge for the workers, beside her constant work in her own church and school. Such are the salt of the earth, the main-stay and support of our Christian work.

 Webster's International Dictionary in its present form is absolute authority on everything pertaining to our language in the way of orthography, orthoepy, etymology, and definition. From it there is no appeal. It is as perfect as human effort and scholarship can make it.—Dec. 14, 1895.
