Thirty-two years ago Wednesday night President Lincoln was assassinated.

Mrs. K. R. Smoot is being advocated for the school board from the east side.

There will be a musical and literary entertainment at the Swedish M. E. Hall above Waldo's market, next Thursday evening, April 22nd. This entertainment is given for the benefit of the Swedish M. E. Church and everyone should purchase one or more tickets even if they cannot attend.

School election Saturday afternoon from 4 to 7 o'clock, we suppose at the new school house. The candidates are Frank D. Everett for president, and W. W. Flinn and R. G. Evans directors for three years each. As Mr. Clark retires, Mr. Evans will with Mr. Schumacher be the only west side directors on the board, but the west side furnishes the children.

William Tillman, Jr., the man who sprinkles, not floods and muds the streets, is preparing for action. He is having his big patent, automatic, double action electric sprinkler repainted in gay colors, will have a new team, new harness with gilt trimmings all on a "gold basis" all ready in a few days for such a campaign as this frontier wild and wooley town never saw.

In looking over the program for the home talent entertainment announced last week we found many interesting features. Harvey and Paul McQuiston will furnish instrumental music and Miss Hull vocal music. Mrs. Frank Green will give several of her original compositions. The second part will consist of two short comedies with about a dozen characters supplied by Park young people. Everyone should endeavor to attend.

Pastor H. H. Thoren, of the new Evangelical church, returned from the conference yesterday to remain in the Park another year, of course to the great delight of his hosts of friends. What they think of him at the conference is shown by the fact that he was elected statistical secretary, member of the college board and the anti-saloon committee. We see from the Chicago papers that it lies between the Park and Freeport which gets the college. We have still a "fighting chance" for it and had better fight for it.
