Miss Johnson, sister of Mrs. E. E. Gray, has returned to the Park.

The streets were scraped this week but they are not yet inviting to wheelmen.

The cadets are having Easter recess from Tuesday until next Monday night.

The family of J. W. Wakem are back in their Prospect avenue villa for the season.

Dale Sweetland has a gay line of Easter cards and Easter novelties in his show windows this season.

We don't know how soon the justices elected last week will qualify and set up business, but an anxious public is patiently waiting for service.

The editor has been confined to his home most of the week from illness and other hands have pushed the Faber, hence the superior excellence of this issue.

Henry Ditmer has the contract for the mason work on A. W. Waldo's new house on Park avenue, below the "Bergen Settlement." The carpenter contract is not yet let.

We observe that Fred Clow has the job of carpenter work on Mrs. VanSchaick's extension to her house. Alderman Obee has put in a first class mason job by way of foundation.
