

OF LOCAL INTEREST.

We learn that the measles are having quite a run on the west side, in spite of all the faithful warnings of the NEWS.

We understand that W. S. Warren the west side barber, will move his shop May 1st to the corner building opposite Goldberg's block.

Next Monday evening occurs the Volunteer Firemen's Ball. Don't fail to purchase a ticket and thus help equip our firemen. Tickets are 75 cents admitting a couple.

Fred Greenslade don't let politics interfere with his work as president of the Young Men's club. He keeps something going for the good the young men all the time and that means work.

Don't forget the school election tomorrow afternoon, the 17th, for president and two directors. West Deerfield has found out by this time there is to be an election and they may beat us! Women, vote.

In response to numerous inquiries we can safely say our Vermont school ma'ams did not go back to the old state to eat "sugar on the snow" during vacation, but luxuriated in the highly differentiated civilization of the Peerless City.

George Brown is doing the lawn of Frank C. Brown "up brown." He has torn up that old west side driveway and added \$1,000 to the beauty of the place. Taking all the Browns in town they have got up the biggest improvements of the city this season, so far.

The school children are having vacation this week and are completing the work of destroying all the wild flowers in the ravines. The cats have killed about all the birds in the woods and the thoughtless children are killing all the wild flowers for they tear everything out by the roots.
