The annual meeting of the township Sunday school convention will be held at the M. E. church here Sunday, May 9th, from 2:30 to 5 p. m. H. H. Thoren, secretary of the township association, has promised good speakers, and the Sunday school will discourse sweet music. All are invited to attend.

The old board of trustees held its last regular meeting Tuesday evening. Little was done, except ordering the payment of current bills. A ditch was ordered on the east side of Central avenue, from Prairie avenue south to the golf grounds and with a culvert under the road just south of Samuel Breakwell's cottage.

A party of Good Templars went out to Libertyville on Saturday to attend the final heat of the county declamation contest. They drove out in one of W. E. Cummings' two-seated rigs. After enjoying the "feast of reason," etc, they started back at about 11 o'clock. When about a mile this side of Halfday, they got stuck in the road, and the horses becoming balky, refused to stir. After persistent effort, the horses moved at 5:30, but only to back down into the ditch and break the pole. Now there was only one alternative, so Andrew Roberg walked into Cummings' and had another rig sent out. The party arrived somewhat tired at about 9 Sunday morning.

Messrs. Burke & Storms of the Antioch "News" have begun the publication of a new paper, "Milk Shippers' Bulletin," for the special benefit of those who ship milk to Chicago. As it is only 50 cents a year every milk dealer or shipper ought to have it. They are enterprising men, in the midst of a milk district and will produce a paper worth the money. We have not seen it, but know what they will do. Leave subscriptions here if you wish for it.
