S. S. CONVENTION.

The Deerfield Township Sunday school convention took place in the church Sunday. Rev. H. H. Thoren of Highland Park, president of the association, called the convention at

2:30 p. m. Mr. K. S. Buck of Waukegan, county secretary, of the association, delivered an address, followed by Charles H. Warren of Highland Park. Mrs. Morris, of the Presbyterian Sunday school of Highland Park, rendered a solo in a most delightful manner. Mr. Lee of the Waukegan Y. M. C. A., delivered a 15-minute address. The evening session was presided over by H. I. Morris. An address on "Feed My Lambs" was delivered by Mr. Heathcote of Ravinia, followed by an address on the "Relation of Parents to the Sunday School." Miss Hallie Gavitt sang a solo to the mandolin accompaniment of Ariel C. Jewell. At the afternoon session Charles Warren was elected delegate to the state convention, held Monday and Tuesday at Belleville, and the sum of \$10 was raised by subscription to pay his expenses. The sum of \$6.08 was raised for state and county Sunday school work and was turned over to K. S. Buck, county secretary, of Waukegan.

The firm of Unbehaun & Gibbs has dissolved partnership, Charles Unbehaun having withdrawn from the business. The saloon is now conducted by Michael Gibbs.

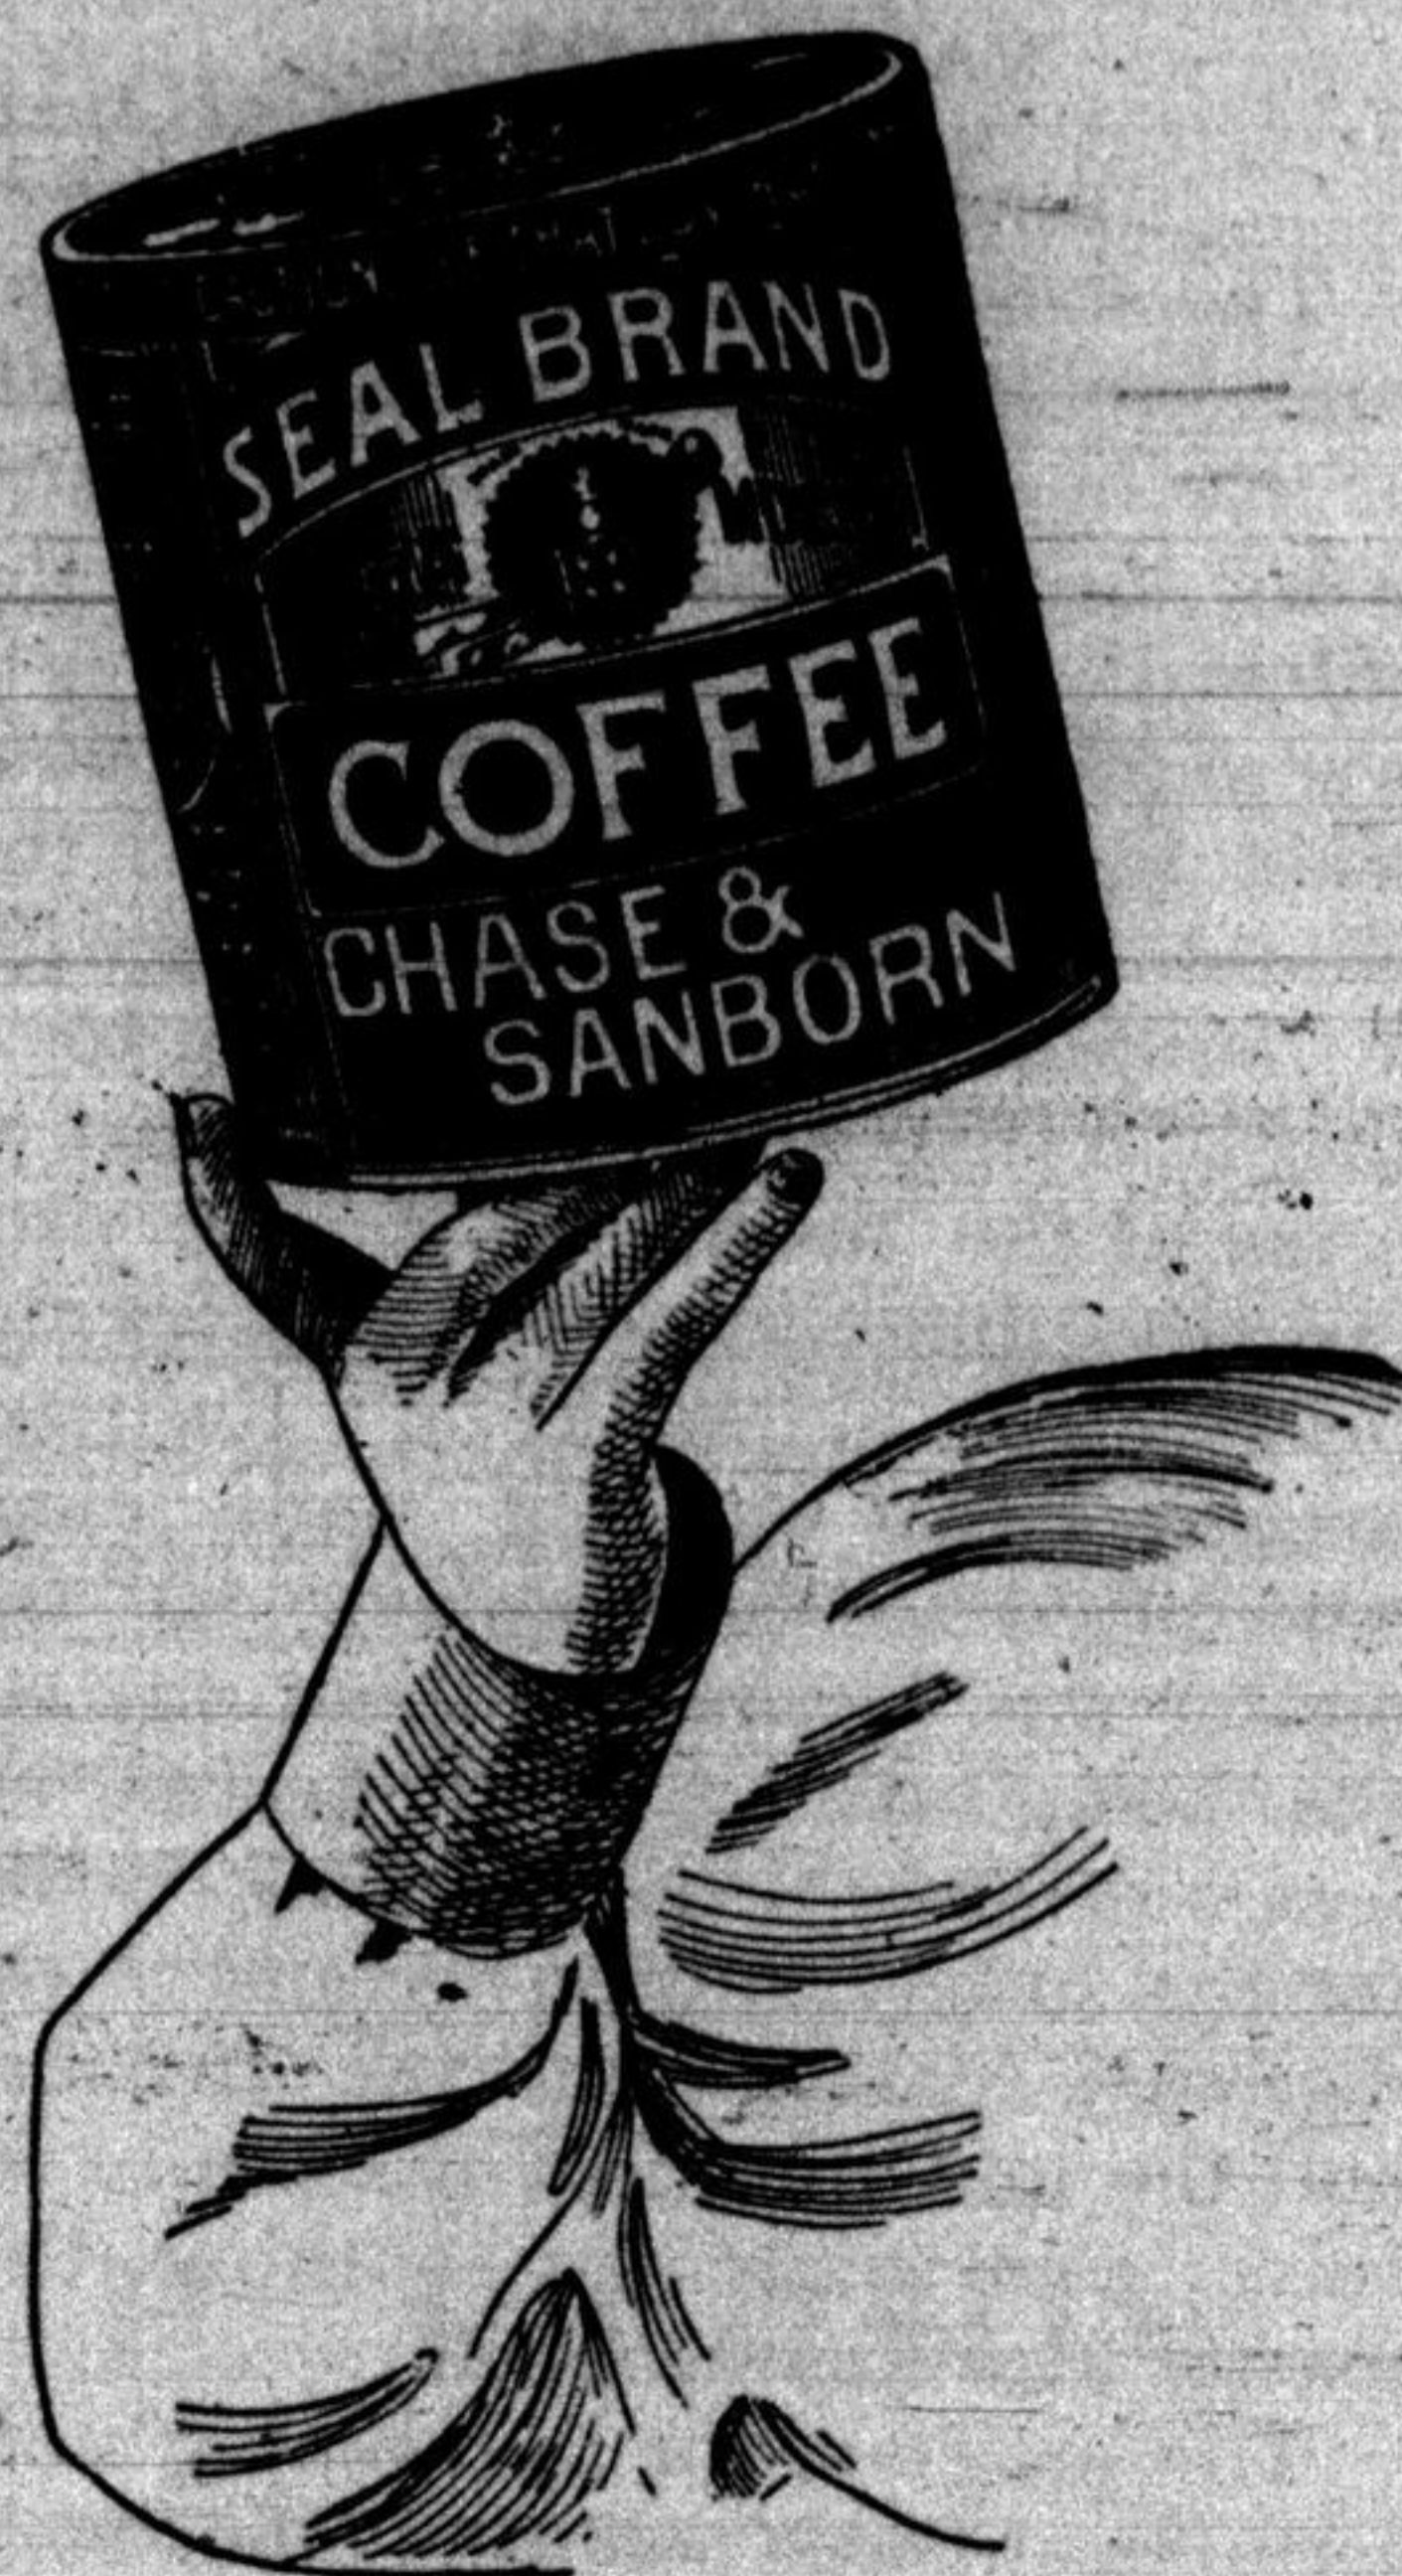

The case of the people vs. Charles Gordon was tried before Justice Dooley of Highland Park, on Saturday, May 8th. A fine of \$10 and costs was imposed. The action was for the assault of Charles Brown in Murphy's saloon.

THE HIGH SCHOOL.

Allen VanDyne is again in school. Of the High School boys from Highwood, Thomas Gail has been at school half a day during the week. We have seen none of the others.

Our lively and genial school-mate, Ethel Aldridge, has left school for the rest of the year to accompany her parents on a trip to the former home in old England. Our thoughts and our best wishes for an enjoyable trip are following her.

Our ball players seem to be having plenty of exercise in catching batted balls and that seems to be all. It is to be feared that when playing a game on the diamond, the boys will find they lack experience in batting, running bases, judging curves, playing bases and all the fine points that are learned only by actual experience. No one who knows our boys and their capabilities will deny that they could put out a strong team had we the proper facilities for practice.
