The High School commencement will take place Friday the 25th, at the Presbyterian church, when six graduates will stir up the public mind and heart and receive bouquets.

There is a great social hubbub over the fact that a niece of President McKinley is to be married. Why a cousin of ours was married last month and it created no social stir; we did not know of it ourselves for several weeks. What's the matter?

The public school closing exercises for adults only, will be held Thursday, June 24th, in the school auditorium and be repeated the next morning for the benefit of the children. This is a capital plan as it gives all the children a fair chance and no crush.

The K. L. C. E. of the First U. E. church had election of officers on Tuesday evening with results as follows: President, Miss Mabel Brand; vice president, William Noerenberg; secretary, Miss Alma Streiber; cor. secretary, Miss M. Brand; treasurer, Charles Kuist; librarian, Fred Boetker.

Frank Warren Everett, son of President Everett of our public schools, graduated with honor at the Massachusetts Institute of Technology, Boston, Tuesday. The Institute stands at the head of the technical schools of the country and a diploma therefrom means something in the scientific world, and we congratulate young Everett on his possession so honorably and successfully won.

Mr. and Mrs. A. Antidel are spending June at Ravinook. Mr. Antidel is the general manager of the American Express Company and has spent the summer here before. He finds the Park has improved since his former stay with us, especially is this noteworthy in some of our streets. He speaks in high terms of the Sheridan road south to Evanston, and is justly enthusiastic over its probable completion north. His three horses and carriages find good quarters in Professor Gray's barns.
