skine's.

Don't forget the school exercises
in the school hall next Thursday
evening. A choice program has been
prepared.

The Golf folks will have the water
pipes into their own grounds and
they will be all complete the first of
the week. Some ten carloads of
stone are on the street so that part
will soon be done. We hope the
grounds and all its appurtenances will
be in working shape by the first of
the month.

The people are hoping the mat-
ter of street sprinkling will be satis-
factorily adjusted between Messrs.
Tillman and Falk. The latest re-
port is that they have divided the
city into north and south parts, Cen-
tral avenue being the division line.
What the public wants is some ad-
justment, so as not to have both
carts going over the same ground
and making paste of some places,
while the dust is flying in others.

Mr. & Mrs. Frederick Fischer re-
turned Friday last from their win-
ter on the Pacific coast. They kept
in touch with the Park through the
columns of the NEWS. They report
a pleasant winter, and commend the
position of the NEWS on the whole-
sale improvements. The NEWS is
gratified to have the best business
men commend its policy. We want
improvements as rapidly as they can
be made wisely and safely. but we
do not wish to kill the goose that
lays golden eggs.
