

OF LOCAL INTEREST.

The rush of the summer boarders seems to be on, or else everybody wants to go to the Maples or Ravinook, for they have their hands and rooms full and more too.

Colonel Parmenas T. Turnley of this city is president of the Mexican Veterans' Association and will have his society in place among the other ex-soldiers at the dedication of the General John A. Logan monument July 22nd.

Dr. Warren M. Sweetland and ex-postmaster W. Enoch Brand and perhaps other young Christian Endeavorers started for the Pacific coast Tuesday night via the "Q" road. Several also went from West Deerfield.

Judge Holmes is meditating a flying trip to the occident to recuperate his physical "cistern." Arthur A. Basye will endeavor to "hold down" the various chairs occupied by Judge Holmes except that of Justice of the Peace, which is a little too exalted for Arthur yet.

Mr. Lloyd Antisdell has arrived at Ravinook from Harvard University. His father and mother have been here several weeks and will remain awhile longer. The young man took the first prize in the running race with the Massachusetts "Tech" a few weeks ago and is training as a general athlete. He has just received his papers that every examination was passed satisfactorily, so that he goes up a peg higher next year. He knows just what he is at Harvard for and don't propose to miss his chance for scholarship. Athletics are secondary, as they should be with every student.
