

OF LOCAL INTEREST.

Miss Higley of Waukegan, is visiting her aunt, Mrs. George B. Cummings.

Charles Warren attended the Sunday school convention at Waukegan Sunday last.

Miss Nellie Rudolph came to the Park Sunday. She may spend the summer here, we are told.

Mr. and Mrs. Charles H. Warren started Tuesday for Chattanooga as delegates to the great B. Y. P. U. convention. They will be gone about two weeks.

Mrs. D. M. Erskine, was called to Burlington, Iowa, last Sunday by the death of her father who has for a long time been an invalid. She will have the sympathy of the many who have had like experience as well as of all her other friends.

The police force of Chicago is out on a hunt for a well the city has lost. The last seen, it was in Lincoln Park, but it has disappeared, and they are afraid some sharp men came up from St. Louis on a dark night and carried it off. We must lock up our old artesian well.

The family of Albert Antisdell, who have spent several happy weeks in the Park, left Wednesday for Waukegan, thence the next day to Kenosha, whence a few days later they will go to Milwaukee the balance of the month, and put in August among the watering places and other resorts of Wisconsin. They leave lots of warm hearted friends in this city, who regret their departure.

The Warren Steam mill still finds plenty to do, for it is steamed up and at work these cool days. They have the job of the mill work, we understand, on the new school house at Ravinia. Now is the time to get your door and window screens and your storm windows for next winter. Have such things done when the rush is not on, and then you will be ready for winter when it comes, and by having the work done now you will get a better job. Take our advice.

There are 75 to 100 at the Military Academy for the summer school arranged by Silver, Burdette & Co., of Boston. This the kind of "Silver" of which every teacher and lover of music in schools and elsewhere in this great west wants free and unlimited coinage, 16 to 1 or any other ratio, will be acceptable so long as it has this quality. Don't fail to hear them sing all you can. We only hear such music once a year. But how sweet they sing.
