Not that home. stay there."-Waukegan ness to see that the ordinances were they read every new book, novel or Daily Sun. as the little boy said of his papa's necessary, or ever wise and desirable, woods between here and Fort Sherreligion, they "are not working at it for the overwhelming majority of idan by several parties from Highmuch now." Then she wanted to books issued are not worth attention: land Park and Lake Forest. It is know if the women could do any many popular ones are ephemeral thought to be the one that escaped thing? Yes, they can do several and valueless. Nor do all of these from Lincoln Park a few months

the Pleiades" to bear on their mascu- cessful work, and no woman can do line friends to this end. Finally that without profit to herself. Then ade" through the Ossoli, or outside broad one and while there is but one it, and attack the citadel of the coun- essayst to each topic, every other cil and public opinion, till it is done. member feels impelled to study up; more or less fully that special topic, for the president, in true oriental despotic style, calls on this and that and the other one "whom she will" for an expression of views on the special topic under disscussion, and no

Finally.-It is, to us at least, a delightful surprise to see how orderly, ystematically and according to "parliamentary rules," all the business is done. It is a training of inestimable value, to any company of women, or men either, to be able to do that with no fuss or flurry. Of gossip, that proverbial sin of women, there is absolutely none, or we have not seen or heard it; they are too well bred, and too intent on more serious things The "social hour" is limited to fifteen to twenty minutes and a good cup of tea. We give our benediction

"HE IS POOR INDEED."

It was observed, in connection the twelve to fifteen years they spend There are no poor men in this counited for the time, but they have capital. The only poor man in America is the man who is sick of has bad habits." This is sound American sense, and we cannot have The standard of money may be gold or silver; but the standard of true wealth is manhood and womanhood. Let us never forget that.-Good Housekeeping.

> A fellow was lodged in the tramp arrived from Seattle, Wash. He was on his way back to his home in Oshkosh, where he had always lived until last fall. Getting the gold fever, he, like many others, sold his property and in August started for the Klondyke. He bought a complete outfit and made all preparations for his journey. Arriving at Seattle, with nothing in his possesspelled to give up in despair, Pawn-
