**PERSONAL AND OTHERWISE.**

Mrs. J. Rioux is sick with the  
 gripe.  
 Butterick patterns for sale at Miss  
 Erskine's.  
 George Smith is around once more  
 after his illness.  
 For rich milk and cream see Allen,  
 20 tickets for \$1.00.  
 Miss Cora Maxwell of Lake Forest  
 called on friends here, Wednesday.  
 James Wallace of Chicago visited  
 with T. E. Pierson and family last  
 Sunday.  
 Allen is selling thick rich cream  
 25 cents a quart; don't forget to have  
 him call.  
 Albert St. Peter has sufficiently re-  
 covered from his illness, to be out  
 doors again.  
 Miss Lillian Millard returned  
 from her visit at Denver, Col., Mon-  
 day evening.  
 Dr. Hamilton Street, who is attend-  
 ing the Chicago Medical school, is at  
 home with his parents for a few days.  
 Are you taking your milk supply  
 from Allen? If not, why not? Two  
 deliveries a day and quality all right.  
 Otto Swanson and Christopher  
 Hansen had the lucky numbers which  
 drew the two watches, raffled by John  
 Hartroft, Saturday evening.  
 The Street Railway Co. are build-  
 ing crossings at the depot and are  
 clearing the track all the way to the  
 Fort. They intend to run the cars  
 Monday afternoon.  
 William Steele, while at work on  
 one of the machines at the Gray elec-  
 tric company's works, Wednesday,  
 got his hand caught, cutting it quite  
 severely. Dr. Haskin dressed the  
 wound and is attending him.  
 Our old town of Ludlow, Vt., has  
 struck a good idea. As soon as the  
 registry list of voters is made up, the  
 town officials have it printed on big  
 sheets of tough paper, in coarse type,  
 and then posted up all over town, so  
 everybody can see it and make any  
 corrections necessary and be ready to  
 challenge voters election day.  
 At the rhetorical exercises at the  
 High School, Friday, Frank McCaf-  
 frey, the leader of the negatives, de-  
 feated George Millard of the affirma-  
 tives. The subject for debate was,  
 "Have the necessary evils of war in  
 the history of the world, outweighed  
 the good results it has produced." As  
 this is George's first defeat, he feels  
 rather down hearted.  
 Fred W. Schumacher, our druggist,  
 sells "Electric Water" at 15 cents  
 per gallon, at your door if you re-  
 turn the bottle, other-wise 25 cents.  
 Being "Electric" this water is sup-  
 posed to make sleepy folks wakeful,  
 especially recommended to society  
 people, Sunday mornings—and some  
 others; it will put energy into the  
 lazy, besides several other things too  
 numerous to mention.  
 Last Monday, George Stafford and  
 Miss Minnie Moore were united in  
 the bonds of matrimony in Chicago.  
 Mr. Stafford, although not for a very  
 long time a resident of the Park, has  
 made many friends and is known as  
 a steady and skilled mechanic. He  
 formerly worked for McKinney, the  
 paper-hanger, but is now employed  
 at the Gray Electric works, where he  
 has many friends who wish him much  
 happiness in his new venture.  
 Filmore M. Evans is in the field  
 for town collector another year. He  
 has served well three terms, under-  
 stands the business and so far as we  
 have heard, gives uniform satisfaction.  
 In proof of this is the large amount  
 paid to him this year in taxes for  
 an unpopular collector sends people  
 to Waukegan. Mr. Evans sees this  
 and is grateful to the people for their  
 promptness. To our mind one strong  
 thing in his favor is the central lo-  
 cation of the office: people know  
 where to go and can always find him  
 there.

Quantity and quality is what  
 Allen is giving, when he sells 20  
 quarts for \$1.00  
 Malloy, the soldier who was arrest-  
 ed here last winter for stealing a  
 bicycle at the Fort, was tried Mon-  
 day before the Circuit court and let  
 off on one day in jail and a \$50. fine  
 which was suspended during good  
 behavior. Clearly the court expects  
 speedy war with Spain and so wants  
 every soldier in his place.  
 Ex-pastor Gould was in this city  
 Monday night, on his way to Racine.  
 He seems to be doing well down  
 among the Hoosiers, for he must  
 weigh 25 to 50 pounds more than  
 when he left here. He has also cul-  
 tivated a growth of whiskers, Burn-  
 side cut. His Shelbyville Church  
 celebrated it's semi-centennial, March  
 4-6, 1898, he delivering the histor-  
 ical discourse. The meeting house  
 looks some like the one in Waukegan.  
 There was a trial Monday evening  
 in the police court for a breach of  
 the peace and disorderly conduct, in  
 which the jury failed to agree, so the  
 defendant got off as by the skin of  
 his teeth. The witnesses for the  
 plaintiff were not very clear in their  
 testimony. "Tom" Duffy told the  
 most straight-forward story of any-  
 one on the stand. T. M. Dooley was  
 counsel for the defendant and did  
 well. He took a quick, direct and  
 manly course, and so helped his client  
 very much.  
 The Sabbath school class of young  
 men taught by Rev. Pfanstiehl at  
 the Presbyterian Church, has organ-  
 ized by adopting a constitution, hav-  
 ing a president, secretary and treas-  
 urer, also various committees. On  
 Friday evening, one week from to-  
 day, the class gives a reception to  
 the church in the lecture room, at  
 which they will be assisted by Miss  
 Davidson's class of young ladies. A  
 musical and literary programme will  
 be rendered and refreshments served.  
 The young men deserve all possible  
 encouragement in their efforts to add  
 to the church's influence and attract-  
 iveness.  
 The W. C. T. U. women are send-  
 ing petitions to the Lake County  
 Agricultural society, asking them  
 to shut saloons, gambling devices of  
 all kinds and kindred evils, off the  
 fair grounds, fair week. We com-  
 mend the women for this work. It  
 is a mistake from first to last: it  
 costs the society all or more than  
 they make out them. The best fairs  
 in New England have adopted the  
 idea of absolute and total exclusion  
 of all these things and fakes of all  
 kinds. They find by actual experi-  
 ence, they make more money with-  
 out them.

**TO OUR PATRONS.**  
 Again the News forges to the front.  
 It has been a progressive paper from  
 the start, not content to follow in the  
 work or make up the rear of the pro-  
 cession, but to lead it. It put in  
 electric at the start, then steam power  
 to drive its presses, then later on it  
 enlarged its sheet to double the origi-  
 nal size, then it put in an electric  
 clock, so as to know when to stop work  
 for dinner. For a year it has had a  
 telephone in the editor's residence  
 and office, and this week has installed  
 one in its business and printing office.  
 Hence you can call up either the  
 editor or the business manager, or  
 both as you may wish, to send in a  
 bit of news or have your name put on  
 the subscription list, or if you have  
 no phone and wish to be sued, you  
 can just drop into the office up town,  
 and call up the "Judge," who will  
 perform the ceremony with neatness  
 and despatch. This puts the News  
 in both it's editorial and business de-  
 partments into touch with the whole  
 city and we hope the people will avail  
 themselves of this, to send in news  
 items, or matters of business; we are  
 on tap at all hours seasonable, and  
 sometimes otherwise.
