Ten young people from the Park  
attended a musical recital at Stein-  
way hall, Chicago, Wednesday even-  
ing, given by Madame De Norville,

Those who attended pronounce it one

Pumping Engineers Laing and  
Scott took a boat and pulled out into  
the lake, yesterday, over a mile from  
the shore, or 3,280 feet beyond the

CORRESPONDENCE.

Editor of the NEWS—

The following letter was written  
to one of our real estate dealers by  
a Chicago man; it speaks for itself:

DEAR SIR—I took a friend of mine  
up to Highland Park, several days ago,  
to look at a piece of property with  
the idea of inducing him to buy.  
Before we went he was rather favor-  
ably inclined, but one look from the  
dept at Highland Park settled him.  
He said he balked at any town that  
supported such a system of pig-stys  
called streets and we took the next  
train home. It does seem disgrace-  
ful that a place containing so many  
progressive people and people of  
means should remain in the condi-  
tion of a country village and that  
about six weeks of the best time of  
the year should be wasted on account  
of inability to get around through  
the mud.

Can not something be done?

COLLECTOR.

Park.  
Second precinct, Village Hall, Fort Sheri-  
dan, on Waukegan avenue.  
Third precinct, City Hall, City of Highland  
Park.

The Town Meeting will open in John Fre-  
berg's Livery Stable, in Highland Park, at the  
hour of 2 p. m., and after choosing a Moder-
