 pretty, but decidedly interesting.

We want to congratulate our friends  
 of Highwood on the establishment  
 of a public library. President Hogan  
 has given 250 volumes as a starter,  
 and now they put on a small tax or  
 use some of the license money to fill  
 up and next winter, for instance, have  
 a course of public lectures, sell tickets  
 cheap for the whole course, get lec-  
 turers for nothing and raise \$50 to  
 \$100 for the library. We did that  
 two winters in a town not over half  
 as large as Highwood. A public  
 library is invaluable to a community.  
 Highwood is in luck.

Easter Monday night was celebrat-  
 ed by the Woman's Catholic order of  
 Foresters with a calico hop in which  
 about 60 or 70 couples participated,  
 while almost as many looked on. The  
 music, which was all that could be  
 desired, was by a Chicago orchestra  
 and consisted of four pieces. A  
 sumptuous supper, one which only  
 the Lady Foresters can prepare, was  
 served at the intermission, after which  
 dancing was continued until about 3  
 o'clock. It was a most delightful  
 occasion and one which it is hoped  
 will be repeated in the near future.  
 These affairs of the Lady Foresters  
 are looked forward to with great  
 pleasure, as a good time is always  
 assured all who attend.
