**NEWSLETS.**

Mrs. Fred Rudolph is still very sick.

Buttericks patterns for sale at Miss Erskine's.

Miss Alice Morris is a sufferer from the grippe.

Drink Electric Water, it is pure and sparkling.

For rich milk and cream see Allen, 20 tickets for \$1.00.

Mrs. Fowler of Lake Bluff is visiting with Mrs. H. I. Morris.

Frank Ellis of Chicago was a visitor in the Park, one evening this week.

Quantity and quality is what Allen is giving, when he sells 20 quarts for \$1.00.

Miss Agnes Ingelberg, who has been visiting Miss Todd, has returned to her home in Chicago.

George Brown of Chicago has arrived and will make his home in the Park through the summer.

The three-months-old child of Axel Norlan died Tuesday, after a brief illness, the burial being Wednesday.

Are you taking your milk supply from Allen? If not, why not? Two deliveries a day and quality all right.

Clement Smoot has improved so rapidly since his recent serious sick spell, that he is able to be around the house.

We understand Mrs. Robie is negotiating for another house in the Park, where she can accommodate her boarders during the season.

It is not economy to drink lake water at present, when you can buy 10 1-gallon bottles Electric Water at Fred Schumacher's for \$1.00.

Mrs. Dr. Jamieson of Chicago, spent a day or two with her mother, Mrs. Mary L. Bingham, this week. "Ben" and his wife were here over Sunday.

A teacher of piano, from Chicago would like to organize a class in Highland Park. References furnished; for particulars inquire A. H. Daunemark.

It is better to be on the safe side, and drink Electric Water until our lake water is in better condition. For sale at Fred Schumacher's, 15 cents single gallon.

The street railway company have strung the trolley wire from the Post Hotel at Fort Sheridan to the depot and in a few days they will run to the depot.

Blanket day at the Post was not appreciated by wheelmen who were unfortunate enough to be caught by the soldiers and be tossed 20 feet or more into the air.

The following goods will be sold at a great sacrifice: bed room set; hall tree; pedestal, chiffonier; rocking chair; portiers; settee; and a choice screen. Address box 243.

Mrs. Johnson, mother of Julius and August Johnson, died early Wednesday morning after a two weeks illness, of pneumonia. Mrs. Johnson was a native of Germany, but came to this country many years ago. She was a member of the German Lutheran Church.

Work is going on rapidly at the Exmoor club grounds. The new building is pushed rapidly toward completion and when done it will be one of the finest golf grounds and outfit in the country. Some others are larger and more pretentious, but very few superior to it in the excellence and nicety of its appointments.

Col. Clappitt of Sheridan Drive, north, is still confined to his room by the severe attack of grippe, from which he has suffered for over three months. His condition has been very serious and at one time so low as to render the result doubtful. However fine medical skill and nursing have brought him safely through and we hope ere long to see him again in our midst.

Earl Alden, of Waukegan, was in the Park yesterday.

Allen is selling thick rich cream, 25 cents a quart; don't forget to have him call.

For some strange and unaccountable reason the Thompson estate has been painting the old Highland block.

A fire started on the lot across from the Academy, the fore part of the week, but the hose cart got there before any damage was done.

As Joice, the Fremont constable, took Mr. Frierstein over to "Hotel Brown" in Waukegan last week. They don't have a printed bill of fare at that hotel.

Henry C. Basye has commenced his new block; it is to be done May 1st, so tenants can move in it. But then in this hustling town ten days is enough to put up a block of five stores. Fred Clow has the contract and W. F. Edwards is foreman of the working crew on it.

Dan Sheahan has been keeping bachelor's hall, while his wife visited her old home in Fond du Lac, Wisconsin, a couple of weeks. He has not lost much flesh, as Harry Mills kept him supplied with bologna and Boston baked beans and he has made coffee that would float an egg. But he says Mrs. Dan thinks his style of house-keeping might be improved!

James H. Duffy, proprietor of Duffy's Parcel & Baggage express delivery, has adopted the checking system as used by Frank Parmelee in Chicago, so you can have your trunk checked at your home and not see it again till you greet it, in the Vendome in Boston. So of your incoming baggage—don't stop to look it up—give him, or one of his men, your trunk check and in a short time your baggage will be safe in your own home.
