Buttericks patterns for sale at Miss Erskine's.
Miss Ella Conrad is very ill with diphtheria. Dr. Ingalls is attending her.
Mrs. Henry Dennison of Wisconsin, is visiting her mother Mrs. T. D. Hull.

Jacob Vetter, gardener. Early and late cabbage, tomato plants and vegetables in season.
Supt. McPherson last evening went to Lake Forest and repaired the wires in three places where lightning had struck and broken them. In order not to shut off the power, "Mac" repaired them with the current on, a very dangerous feat, and one which only an expert could accomplish successfully.

Silas P. Brand and daughter, Miss Mabel, last Wednesday attended the wedding of Charles Miller of Edison Park and Miss Gussie Hoffman of Chicago, at the latter place. Mr. Miller is a former resident of the Park and has many friends who wish him all kinds of happiness.

The son and daughter of Alderman William Grant, John and Katherine, we are sorry to learn, are very sick with typhoid fever. Dr. Bergen assisted by a trained nurse, is attending them and all that loving parents can do is being done for them. Hope is expressed that they will soon be well again.

The family of Hannibal H. Chandler, after trying Chicago life again for a year or two, have returned to their beautiful home on the Sheridan road for permanent residence. We remember some dozen years ago or more of urging Mrs. Chandler to make this city her home, but she declined. The Park has grown and improved all these years: it is no longer the old slow town of those days and it draws people as it did not then. Mr. Chandler will add one more to our local contingent who will observe May 24 as a personal holiday.

AROUND THE COUNTY.

Barrington saloons are closed on Sunday.

The medal contest at Gurnee was held yesterday.

The Lake Zurich fire company have a new set of officers.

Reginald Godfrey of Grays Lake has been made a Master Mason.

Judge C. W. Pettis seems to be in the law business all he desires this spring.

Barrington has a big streak of Vermont atmosphere, "Dewey" they call it.

The effects of the big Barrington fire are fast disappearing, as new buildings go up.

The fishing in Diamond Lake is said to be excellent; 10 and 12 pound pickerel are taken out of it.

The Deerfield Racing Association propose to have races this summer, beginning July 4th, if possible.

The Gurnee C. E. folks realized some \$20. from a recent sociable. Lots of spare money in Gurnee.

The Diamond Lake Cemetery association meet next week Tuesday, in honor of a good woman's birthday.

Long Grove folks want a celebration Decoration Day. That's right, get a good orator, brass band, and plenty of doughnuts and cheese and celebrate.

T. V. Slocum of Wauconda is trying to people a certain section of Arkansas, where he will farm it himself and sell plows and harrows to his neighbors.

William Deane, the erstwhile retailer of beverages at Fort Sheridan, refuses to pay \$900 for a saloon license in Libertyville. We guess the village can stand it.

Grays Lake seems to be overrun with county politicians.

The city council of Libertyville don't like the way their minutes are kept. Perhaps if the rotund aldermen were more careful in making motions etc, the minutes would read full as well.

Libertyville is getting ready for the county convention. They have not killed the fatted calf, as they thought there would be country lambs enough in town Saturday to supply the market.

Half Day has an entertainment next Monday night to raise funds to repair the pretty little church. As nearly everybody goes there for their funerals, they call on all for help. A novel but sound argument.

Ex-Mayor A. S. Sherman of Chicago and Waukegan and Judge Upton were neighbors of the Dewey family in Vermont. The commodore's father was their family physician, hence their long and useful lives.
