INTELLIGENCE FROM ALL PARTS

CONGRESSIONAL

Proceedings of First Regular Session

A bill providing for the taking of the twelfth census was passed in the senate on the 8th and a favorable report was made upon the bill providing for the establishment of a system of postal savings. The house bill to organize a navy hospital corps, define its duties and regulate its pay was passed.... The house disposed of the senate amendments of the sundry civil bill and agreed to further conference and the conference report upon the post office appropriation bill was adopted.

In the senate on the 9th the "omhibus claim bill," carrying something over \$9,-000,000, 40 private pension bills and several measures from the general calendar were passed. ... The house agreed to the conference report on the war revenue bill by a vote of 134 to 107, and a bill to enable volunteer soldiers to participate in congressional elections was considered.

The conference report on the war revenue bill was agreed to by the senate on the 10th by a vote of 42 to 22. Adjourned to the 13th In the house an agreement was reached to take up and discuss the Hawalfan annexation resolution at once, the vote to be taken on the 15th. Mr. Maxwell (Neb.) introduced a bill restricting the use of money and other considerations in the election of senators and representatives.

The senate was not in session on the 11th....The session of the house was devoted to debate upon the Hawaiian annexation resolutions.

WAR NEWS.

It is believed at Washington that Admiral Sampson, unaided by troops, may attempts the capture of Santiago. He has placed the stars and stripes over one of the dismantled ruins of one of the Spanish forts near the entrance of the harbor and is remounting the guns to be handled by American gunners.

It was officially announced that the second expedition to Manila would sail from San Francisco June 15.

It is reported that the queen regent of Spain has again appealed to the pope to ask the powers to intercede and try to secure peace.

Gen. A. W. Greely, chief signal officer, issued a general order to the cable companies that hereafter no news concerning the movements of American vessels or of American troops would be permitted to be sent to foreign coun-

The warship Marblehead drove a Spanish gunboat into Guantanamo harbor and shelled and reduced the fortifications, the insurgents cooperating on the land side. The place is being held until troops arrive, and it is contemplated to establish a general base there. Communication between the island of

Cuba and the outer world was severed by cutting the Kingston-Santiago and Haytian cables. The ends were buoyed and Admiral Sampson can establish communication with Washington di-

Rumors that a new fleet of Spanish warships is lying in wait on the northern coast of Cuba caused the transports carrying troops to Cuba to return to Tampa, Fla., until the report could be verified or discredited.

Dispatches from Tampa indicate that the army of invasion is about to leave

again for Cuba. The United States auxiliary cruiser St. Louis captured a Spanish merchan

ship near Kingston, Jamaica. Rioting has again broken out in Madrid and other Spanish cities. Now that the people know the truth about Manila

they are in revolt. In diplomatic circles it is believed Spain's creditors will soon compel her to

sue for peace. Washington reports that the desire for colonial expansion and the seizure and retention of all Spain's island possessions is rapidly spreading through-

out the United States. Political circles in Madrid declare no suggestions for peace have been received, that such suggestions would be declined, and that Spain has decided in England, failed in London for \$2,to pursue the war to the bitter end.

After a battle lasting 15 hours the 850 murines under Col. Huntington repulsed Spanish regulars and guerrillas near Guartanamo, inflicting heavy loss. The American loss was four killed. It was the first land battle of the war in which Americans have been engaged.

Eight thousand Americans, according | six years. to a dispatch from Port au Prince, have landed very near Santiago de Cuba.

Ambassador Hay in London has cabled to the state department that Manila has surrendered. No details have been received, and it is not known whether the surrender was to the insurgents or to Admiral Dewey.

Admiral Sampson asks promotion for Lieut. Hobson and similar reward for his followers, in the daring Merrimac exploit at Santiago.

Orders were issued to Gen. Lee and to Gen. Coppinger to hasten the expedition against Puerto Rico. Five tons of food, 400 rifles and 60,000 rounds of ammunition were landed for

the Cubans at Asserado by the gunboat It was reported from Madrid that Capt. Gen. Blanco had made an urgent appeal for food and war stores, which

DOMESTIC.

Spain will forward with armed convoys.

There were 203 business failures in the United States in the seven days ended on the 10th, against 222 the week previous and 262 in the corresponding period of 1897.

The exchanges at the leading clearing houses in the United States during the week ended on the 10th aggregated \$1,324,766,412, against \$1,155,159,051 the previous week. The increase compared with the corresponding week in 1897 was 31.2.

A torpedo in the St. John's river at St. John's bluff, 18 miles below Jacksonville, Fla., exploded, killing three men. In Boston Eddie McDuffie broke the world's three-mile bicycle record, his

time being 5:06 3-5. Charles Langley, aged 24, shot and killed his wife at Kalamazoo, Mich., and then fatally shot himself. Jealousy was the cause. They had been married only

three weeks. Hundreds of well-made counterfeit dollars have been placed in circulation in Rockford, Ill.

L. B. Clark & Co., tanners at Bangor Me., failed for \$550,000. Charles Feister, a wife murderer, was

hanged at Grant's Pass, Ore. A barge containing 16 gold seekers was capsized on Lake Bennett, Alaska. and all the men were drowned.

The total wheat acreage of the country is estimated at 43,000,000, which is 3,500,000 acres greater than last year. George Washington (colored) was hanged by a mob at Weimar, Tex., for

killing Lee Wall, a constable. The percentages of the baseball clubs in the National league for the week ended on the 12th were: Cincinnati, .682; Cleveland, .652; Boston, .644; Baltimore, .625; New York, .523; Chicago, .511; Pittsburgh, .511; Philadelphia, .439; Brooklyn, .390; St. Louis,

.364; Washington, .341; Louisville, .319. Fire destroyed the Case Power building in Detroit, Mich., the loss being

The exports of agricultural products during the present fiscal year are estimated to be worth \$800,000,000, the greatest in the history of the country. By an explosion of gas in a mine at | wheat.

South Wilkesbarre, Pa., ten miners were burned, some of them fatally. PERSONAL AND POLITICAL.

The democrats of the Eighth district of Indiana have nominated Orlando J. Lotz for congress.

Benjamin Tyler Henry, inventor of the famous Winchester rifle, died at his home in New Haven, Conn., aged 77

Ex-Senator William A. Peffer, of Topeka, was nominated for governor by the Kansas prohibitionists in convention at Emporia.

In convention at Hutchinson the Kansas republicans nominated W. E. Stanley, of Wichita, for governor, and W. J. Bailey, of Nehama county, for congressman at large.

At Fresno, Cal., the prohibition convention nominated J. E. McComas, of Pomona, for governor.

THE FLAG'S DEFENSE.

Two More American Marines Yield Up Their Lives.

Killed in Another Engagement s Guantanamo-Four Are Wounded -Spaniards, Driven from Fort, Leave 15 Dead Behind.

Camp of the United States Marines Outer Harbor of Guantanamo, vis Kingston, Jamaica, June 15 .- After two nights of hard fighting the American flag still floats over the encampment of the marine battalion, and our boys say they will keep it there until the belated troops arrive, if it takes till winter. Thus far the marines have had the best of the fighting, but the situation is grave, and they are exhausted with repelling almost incessant attacks. They Santiago de Cuba. As it is, they probably can hold their position, but they cannot move forward until reinforced by troops.

It is impossible to accurately estimate the Spanish attacking force, but The business part of the town of it is numerous enough. About two-Spartansburg, Pa., was wiped out by thirds of this force surrounds the camp nightly with a deadly ring, and the Maj. Gen. Fitzhugh Lee, commander spatting of the Mausers make things about 30 yards from the camp. At night Admiral Dewey's official report of the | the besiegers fight like Indians, and our bombardment of Manila was received in old Apache fighters will feel in their element. Every yard of chapparel is an ambuscade, and picket duty is flipping coins with death.

After the first attack on Saturday night, Col. Huntington decided that another attempt would be made on Sunday night and he caused entrenchments to be thrown up on all sides of the camp. and in the trenches the main part of the battalion Sunday night waited for the attack that the colonel was certain would come. It arrived within a short time after dark, and from that time until daybreak the firing was incessant and at times very heavy. On the American side two men were killed and four wounded. The dead are: Sergt. Maj Henry Goode, of the marines, shot through the right breast; Private Tauman, wounded and fell off the cliff and was instantly killed. The injured are: Private Wallace, fell off the cliff and. sustained a fracture of the leg; Private Martin, shot through the left leg; Pri-

Private Burke, shot through the arm. The first attack of the Spaniards was For years I was troumade at eight o'clock p. m. and the last shot was fired by them at about three o'clock in the morning. During the night the Spaniards attacked the camp | ing worse, unof the marines on the shore, and the til at last I Marblehead, believing the Americans was compelled had been driven out, threw several shells | to consult with into the place. The attack, however, was repulsed by the small detachment of marines in camp without trouble. The shells of the Marblehead struck among the marines.
