SAMPSON GETS POINTS.

Conference in Washington Over the Forthcoming Work of the Military Commission.

Washington, Aug. 24.-Admiral Sampson and Maj.-Gen. Butler, two of the members of the Cuban military commission, held an extended conference Tuesday with Assistant Secretary of State Moore. Gen. Wade, the other member of the commission, has not yet arrived. The purpose of the conference was to talk over the general features of the forthcoming work of the commission. The final instructions will be completed in about two days, and will be given to the commissioners in strict confidence, for their personal guidance.

The Cuban commission will sail on 5th of September, according to present calculations, either from New York or Fort Monroe, on the New York, Admiral Sampson's flagship, if she can be made ready in time. Gen. Butler will be accompanied by two aides, and it is probable that Gen. Wade, chairman of the commission, will have

Admiral Sampson says that the mines will be removed from Havana harbor before the commission enters. It is not known whether the United be put under its control, but at all events the New York is not to be subjected to any disaster similar to that of the Maine.

FOOD FOR CUBANS.

Plans for Feeding the Starving People on the Island Considered by the War Department.

Washington, Aug. 24.-The war department is considering plans for feeding the people in Cuba who may be found in a starving condition when the Spanish troops evacuate. Very little information is yet at hand regarding the condition of the people, but from what was known of them before hostilities began, and the fact that very little opportunity has been afforded them since to secure food, it is believed that thousands must be destitute.

Michigan Prohibitionists.
