CENTRAL AVENUE

NEWSLETS.

Frank P. Hawkins was confined to  
his room a day or two this week with  
a temporary illness.

Cards are out for a reception to  
be given next Wednesday afternoon,  
by Mrs. James Hobart Moore and  
Mrs. Edward A. Small from three  
to five o'clock.

Miss Cheney returned Friday last  
from Asheville, N. C., for a month's  
visit with the family at home. She  
expects to return south about the first  
of November for the winter.

Charles H. Wooster, of the North  
western Life Insurance company,  
Milwaukee, and his young daughter  
Hazel, are spending a few days with  
his cousin, Mrs. Judge Hibbard.

Two members of the Waukegan Y.  
M. C. A. will play lawn tennis with  
the Lake Forest University at the  
latter place next Saturday 3:30 p. m.  
It is predicted that a good game will  
be played.

August Norenberg is putting down  
the new cement sidewalk in front of  
the McDonald block and though the  
proof of the pudding is in the  
eating, he seems to be doing a good  
honest job.

D. C. Purdy reports the stove and  
furnace business as booming. He is  
putting in furnaces in the residences  
of E. H. Brown and John Middleton  
this week. He also has orders for  
several more.

Mr. Cragin who has spent the sum-  
mer here, returns to his home in  
Evanston tomorrow. He has very  
much enjoyed his vacation in the  
Park and will be likely to return  
next season.

If you have not left your orders  
for some extra copies of the special  
illustrated News, you had better do  
it at once, as the first forms go to  
press in a day or two, and after that  
it will be too late.

A bicyclist in Waukegan tried  
bucking against a street car recently  
and was landed a rod away in the  
gutter whence he was taken by the  
car men to a doctor's office. He don't  
want any more of that fun.

The Lake County band of Wauke-  
gan have ordered new uniforms, and  
will visit Highland Park some even-  
ing in the near future and give a  
short concert. This band has 22  
pieces and is a credit to its name.

The city council meets next Tues-  
day evening; be on hand if you have  
any "axes to grind." That of course  
is what the council is for, to turn the  
big municipal grindstone while the  
people hold on their axes of all kinds.  
But in council, it is just as it used  
to be on the old farm,— every one  
don't know how to hold on his axe.

A Mississippi town has a curfew  
law which includes old people also,  
as well as the boys. That's the kind  
we want here. Just think of the  
dangers to which our older men are  
exposed on the streets after dark,  
liable to be run over with bicycles,  
or led away into temptation. Shut  
them up at home and let the kids  
run loose.

L. G. Yoe, who went a week or two  
since to Dakota shooting, returned  
Saturday last, about a week earlier  
than he expected. The fact was the  
shooting did not come up to his rea-  
sonable expectations, while the beef-  
steak with which they served him  
very much exceeded his expectations  
in toughness. His biscuits and  
molars could make no impression on  
it and he decided to return once  
more to civilization, and we welcome  
him.

Professor Shaller Matthews of the  
Chicago University preached for the  
Baptists Sunday morning on the  
"Permanent and Transient" from  
Sol. 2:16-17. It was a masterly dis-  
course and greatly enjoyed by the  
good sized congregation which heard  
it. It gave the people something to

think of after they got home. Our  
old professor once told us to give our  
congregations hard nuts to crack oc-  
casionaly and Prof. Matthews did  
that.

D. C. Purdy wishes to announce  
to his patrons that now is the time to  
have stoves and furnaces put in order.  
Also that he is prepared to do the  
work in the most up-to-date manner  
and at reasonable prices.

Think of it, how our fame ex-  
tends. Prof. Rolfe, of our lecture  
course lives at 5,218 Hibbard ave.  
Chicago. When we were born  
Chicago was a howling wilderness  
with only about 250 inhabitants  
while now it has nearly two million  
and is the second or third most  
important city on the globe, and a  
street bearing our historic name.  
Terribile est fama!

There are several liquor selling  
cases, booked in the police court for  
tomorrow afternoon. We understand  
all parties will come prepared with  
plenty of legal talent and make a  
hot fight. We sincerely hope the  
matter will be gone into in a most  
thorough and careful manner and  
let it be settled once and for all  
whether the city can regulate the  
traffic in intoxicating liquors. It is  
in no sense a persecution of the deal-  
ers, but a trial, a legal and impartial  
trial of the merits of this whole mat-  
ter. The city thinks it can stop the  
peddling and delivering of beer etc.  
from wagons, the sellers think it  
cannot—that seems to be the whole  
case.

A BAIT.

A South Water street, Chicago,  
dealer sends us word he will sell  
us goods as follows:  
Elgin Creamery butter \$0.18  
Choice Bacon .07 1/2  
Pig Hams .05  
Chow-Chow, per pint .05  
Sour Gerkins, per pint .05  
Catsup, bottle .05  
Horse Radish .06  
We know the size of George  
Hesler's radish bottles and he  
grows his turnips on another farm,  
so they can't "mix" as corn does.  
Home trade is good enough for us,  
especially when we grow our own  
eggs and turnips.

PERSONAL COMING OF OUR LORD.

The Evangelist who speaks on  
this subject in McDonald's hall next  
Sunday evening is not connected  
with so called Second Adventism or  
any of the movements that antagonize  
the churches. His aim is to help all  
Christian people to a better under-  
standing of what the Bible teaches  
on this subject. A cordial invitation  
is extended to all. adv.
