city; she is now in Chicago.

morrow.

have occupied Dr. Colburn's house
through the summer, returned to

since, spent Saturday and Sunday in

cupied Henry C. Street's house dur-
ing the summer, returned to Chi-
cago Monday, and the Streets, who
have spent the summer with the

Mr. and Mrs. McNabb returned
Sunday from their wedding trip and
Sunday evening were welcomed home

able manner. Mr. and Mrs. McNabb

Are you going to buy a cow?
If so see Allen.

A parson on Central avenue was
trying to nail down a board on his
sidewalk when he noticed that a
small boy had stopped and was
watching him with great attention.
"Well, my young friend," he said,
"pleased to see the interest he excited,
"are you looking for a hint or two
on gardening?" "No," said the
youth, "I'm waiting to hear what
a parson says when he hammers his
thumb."

A line from John H. Conorton, Co
H. 15th Infantry, at Fort Huachuca
Arizona, whom many will remember
as an old Park boy, who clerked for
nearly two years for Moses & Mid-
dleton, say his regiment has all its
goods packed for a start to Hunts-
ville, Alabama, and thence to Cuba.
When his term of enlistment is out
he will come back to the Park and
entertain the boys with yarns about
Cuba and the Spanish.

Mr. and Mrs. Charles H. Warren,
with Mrs. Vines, the pastor's wife,
as their guest, attended the Chicago
Baptist Social Union Tuesday eve-
ning at the Palmer House. "Saving
the City" was the theme of discus-
sion, with Henry L. Morehouse, D.D.
of New York and Carter Helm Jones
D. D. of Louisville as speakers. The
President of the Union is John H.
Chapman, formerly of this city, a
man who claims that he makes the
best baking powder in the world,
and as Baptists only claim what is
true. "John's" claim is probably
correct.

We are glad to note the very sub-
stantial improvements A. O. Mason
is making on his home at the lake
front, above Mrs. Van Schaick's. It
was built for a summer home, but he
has come to his better self, and wants
to live twelve months in a year in the
Park, and we are glad to note it.
He has put in a cellar and heavy
foundation walls under the whole
house, is putting in heating apparat-
us and all the comforts of a first-
class winter home. Alderman Obee
is doing the mason work in his ac-
customed thorough manner.
