

C. H. WHITE,

**SANITARY PLUMBER AND SEWER
BUILDER.**

It is to be expected that the plumbing art would be carried to a high degree of perfection in a city possessing so many beautiful homes and public buildings as this, and no man in the Park is in a position to contribute more to home comfort and sanitary excellence than C. H. White, sanitary plumber and drainage expert. In his extensive establishment can be found every appliance known to the masters of his trade. No new article designed to improve plumbing, sewage or ventilation fails to receive his consideration. His trade has become a very large one and his customers are among the most particular and exacting people of Highland Park and vicinity. Reference is particularly called to the residences of R. B. Gregory and W. H. Emerson, where samples of Mr. White's work will be found. No man, not a master of his trade, can secure employment with Mr. White and this fact, together with his resources, experience and desire to please have made Mr. White very popular since he came here from Chicago in July last. Mr. White has created a favorable impression in Highland Park so that the NEWS feels safe in predicting for him a successful business career.

D. A. DRISCOLL & CO.,

BICYCLES AND REPAIRING.

This well known concern possesses unusual facilities for the handling of every character of bicycle repair work. The proprietors and employees are skilled, capable and prompt, so that in this important branch of trade, the people of our town and the tourists who visit here in such large numbers have access to advantages beyond those found elsewhere in Highland Park. Messrs. D. A. Driscoll & Co. are manufacturers of the Herald bicycles and are agents for some of the Sterling makes, a bicycle built like a watch. Their line of supplies and sundries is ample for every demand. Fine repairing of every kind is their strong specialty. When needing anything in the wheel line consult D. A. Dris-

coll & Co. before going elsewhere. They are also headquarters for repairing and new work in tin, copper and sheet iron. Their furnace work is a distinctive feature of this business.

A. E. WICKHAM,

**ELECTRICAL, CONSTRUCTION AND
SUPPLIES.**

The rapid progress in electrical development, and the consequent introduction of the illuminating and motive power into nearly all branches of commerce and manufacture, has brought into existence a new profession, that of the electrician. A. E. Wickham has had a large and thriving business in the wiring, electrical supply and construction business of Highland Park for several years past. He has surrounded himself with all the essential appliances for producing the best results in a practical and satisfactory manner. He carries a complete stock of fixtures, wiring battery light, power and bell supplies, and will be pleased to quote estimates upon any kind of electrical work. His repair shop is fully equipped and his work is of the highest type. Mr. Wickham is a reliable, popular and successful business man, and an active worker for the best interests of Highland Park and vicinity.

J. M. BILHARZ,

HARNESS AND HORSE FURNISHINGS

Every horse-owner has a pride in having the animal make as good an appearance as possible on all occasions. Style and quality are two great essentials and patrons of Mr. Bilharz can always be certain that the product of his shop will look well, wear well and be up-to-date in all particulars. This business was established four years ago and is the only one of its kind in our town. He uses only the best of materials and trimmings and his workmen have the skill and experience for which the proprietor is noted. A fine line of harness, saddlery, whips, robes and horse clothing is carried. A specialty is made of fine repair work of every kind. This business is thriving and prosperous and Mr. Bilharz is classed among the energetic, reliable and aggressive merchants of our town.

C. A. KUIST.

**HARDWARE, STOVES, RANGES AND
HOUSE-FURNISHINGS.**

Hardware is as essential as lumber for building purposes, and almost as necessary as food for culinary requirements, hence it is that the hardware dealer always occupies a prominent and important position in the trade circles of every community. C. A. Kuist, the subject of this sketch, has for five years past been actively engaged in the hardware and house-furnishing trade of our town, and has, during these years built up a very large and profitable trade. His stock has been constantly augmented, until it now embraces all that is best in shelf, heavy and builder's hardware, stoves, ranges, and house-furnishing goods. He is the exclusive agent in this vicinity for the celebrated Jewel stoves and ranges, the Excelsior steel furnace and is also agent for the Richardson & Boynton furnaces. His tin and sheet metal department is fully stocked and equipped for the prompt and skillful execution of all classes of tin, sheet iron and furnace work. Few men in our town can lay claim to a more satisfactory business career than Mr. Kuist, who stands high among the prosperous merchants and public spirited citizens of Highland Park.

MRS. C. WAUGH.

MILLINERY AND FANCY GOODS.

Nothing in dress is more dear to the hearts of the ladies, than stylish, elegant and becoming creations in millinery and during the long and successful business career of Mrs. C. Waugh her hundreds of patrons have been distinguished for their superior style, and for effectiveness of their apparel. Mrs. Waugh is a lady of unusual taste and deftness and during the 21 years of her successful business career in Highland Park she has been an acknowledged leader in the millinery line. Her store is beautifully arranged, and contains a thousand beautiful details and devices calculated to appeal to the tastes of the ladies of this vicinity.
