

**DEDICATION,**

Sunday, Nov. 13th, was a memorable day for the Ebenezer society of the Evangelical Association. Having been driven hither and thither for some time, and her faith tested from every side, she nevertheless remained loyal and clung to the truth. Her faith has manifested itself in the erection of the beautiful church on Second Street, which was dedicated to the service of the triune God.

After the people were assembled in the new church, Bishop J. J. Esher delivered a very profound and impressive sermon from the passage recorded in Ephesians, Chapter 1 2-4. The Bishop is well along in years, but he enjoys good health, has an excellent memory and exercises power of thought. Before the close of the morning services the members and friends contributed quite liberally toward the liquidation of the debt.

In the afternoon the Bishop gave us the history of the Evangelical Association from its early beginning in the state of Illinois to the present. Rev. Pfanstiehl was present and delivered an address in which he emphasized the fact that "ye shall be witnesses unto me."

After the literary part of the program was rendered, we proceeded with the collection and secured the necessary amount to cover the debt. Bishop J. J. Esher then performed the dedicatory ceremonies.

In the evening our Y. P. S. C. E. meeting was visited by quite a number of friends who remained to hear Prof. F. W. Heidnes deliver a sermon on Matthew V. 14, 16. The entire seating capacity of the church was occupied by attentive listeners.

We have a two fold reason to rejoice and be thankful to the Lord: In the first place that we now have a permanent place to worship God; a house to which we invite all our friends to attend and partake of the rich gifts in store for us. In the next place we rejoice in the fact that we can inform you that our church is free from debt. \*\*\*

Mrs. William Millard gave a dinner party Saturday evening in honor of her son's nineteenth birthday. Covers were laid for ten.

Tuesday evening Hose Company No. 1 held a meeting. Paul Gieser, treasurer, reported a balance of \$25. in the treasury. A motion was made to buy caps with the money for the members of the company and also present one to Fire Marshal Bock. It was carried by a unanimous vote, and John Mohr, John Sheahen and George McNabb were appointed by the chair to order them. Hose No. 1 is an enterprising body of men. They were the first to get fire-men's shirts, which were purchased some three or four months since at their own expense. Later the other companies of the department were furnished some purchased with money from the department treasury and company No. 1 reimbursed. It is this money which is being used to purchase caps. The head gear will be one like that worn by the Chicago firemen when on parade, with the words: "Highland Park Fire Department" on the front.

It seems that every time some one over in the Fairview Addition, the old Hamilton tract, wants a piece of plank, he goes and pulls one out of the side walk. We undertook a tour of inspection yesterday on our wheel and found so many plank gone we had to give it up. In one place a plank was split as if for kindling wood. Look after your new town, Mr. Coale.

The family of S. M. Millard, Esq., left yesterday for their winter home in Chicago.
