

OSSOLI CLUB.

The Ossoli Club held its fifth meeting on Thursday afternoon, Jan. 5th, in the Highland Park Club House.

The afternoon was full of interest, with its "Russian aspect," first Mrs. Barbour Brown's charmingly written paper on "Tolstoi," followed by Mrs. ...

erous musical program, the first two numbers by Russian composers and the third, Schumann's "Romanza."

Tea was served by Mrs. Edward Small.

The Ossoli Club announce a special meeting for Thursday evening, Jan. 19th, to be held at the Highland Park Club House, when "Jenkin Lloyd Jones" will talk on Browning.

The Misses Yoe of Chicago were guests of Highland Park friends a few days this week.

A letter received by Mr. Schumacher from Mrs. ... to the bedside of her mother who is very ill at her home in Iowa, informs him her condition is much worse and that their little son who accompanied her on the trip is sick also, he being down with tonsilitis.

A feature of the population statistics of Western Australia is the large proportion of males to females. The disparity is maintained in the arrivals by sea. At present there are forty-five females to every 100 males.

Miss Amy Castilla, M. D., the first woman to become resident medical officer of a general hospital in the Southern Hemisphere, died in Australia a few days ago. She was a graduate of the University of Melbourne. She had a remarkable ancestry. Her grandfather was a Spanish refugee, who fled to London and became private secretary to the younger Pitt. Her father was one of the earliest settlers in Melbourne.
