An informal dance was given at the Club on Friday night.

Mr. Thomas Wheelwright, of the Gray Telautograph Company, is entertaining his brother.

Gus Maerklin was missed from his accustomed post at Schumacher's pharmacy for several days this week. He was a gripper victim.

Mr. Fletcher is constructing a brush breakwater at the shore end of the pier bearing his name. The breakwater is designed to protect his mill and other shore buildings.

The intense cold weather early in the week caused a temporary cessation of activity at the High School. The water pipes were frozen and the heating apparatus unequal to the task.

The Rev. Robert Morris Rabb will discourse at the Baptist church upon "The glorious mystery of the Trinity," on Sunday morning. The evening topic will be: "What shall I do, Lord?"

The Ladies of the Missionary society of the First Evangelical church gave a pleasant surprise to Mrs. Haeefe, wife of the pastor, on Monday evening at her home. The occasion was the birthday of Mrs. Haeefe.

The private car just built for President Hughitt of the Chicago & Northwestern R. R., is the heaviest car of the kind yet made, weighing 120,000 pounds. It has every modern convenience and is most elegantly furnished.

Notwithstanding the extraordinary severity of the weather during the past few days, Supt. Laing of the water works reports entire freedom from trouble with the city mains. Lake ice has been too busy accumulating in other quarters to make trouble here. There are, however, a great many instances of frozen service pipes, leading from the mains to buildings and residences. Ordinary service pipes are not laid to sufficient depth to withstand extraordinary or long cold snaps when the ground has no protecting covering of snow, as during the recent cold wave.
