Adjourned meeting Feb. 14, Councilman Taylor in the chair.

An order was made to pay Henry Behrens \$8.50 in full settlement of claim for balance of work done on Village building. Bills in favor of F. Gelhar, blacksmithing, \$1.85 and G. A. Holste, supplies, \$2.40, were also ordered paid. Reports of street commissioner, moneys received and paid to treasurer, clerk's report of receipts in January, and the treasurer's report of balances January 31, were severally read and filed. Finance and judiciary asked further time to report on the police magistrate's communication regarding his fees in the bicycle cases. Mr. Calhoun, in answer to inquiry, said no further conferences had yet been held with the Northwestern officials touching the matter of subways, owing to the absence of President Day, but it was agreed he should ask for an early appointment with them to go over the matter.

Adjourned to regular meeting.

The next issue of the NEWS-LETTER will contain a forcible article which has been written by Mr. Markham B. Orde, dealing with the Glencoe sewerage question from a point of view radically at variance with the article appearing in the issue of the eleventh—"Improving Glencoe." The NEWS-LETTER is happy to be able to give the facts as seen by all parties to this important controversy, but trusts that nothing approaching personality will creep into the discussion.
