

ALONG THE NORTH SHORE.

Miss Harlow gives a luncheon today for Miss Grimes, who has returned to Fort Sheridan.

The litigation between Waukegan and North Chicago, over the right of the former to annex a strip of land around the Washburn Moen wire factory, after a call for an election had been issued to incorporate North Chicago, has been decided in favor of Waukegan. The question of annexing North Chicago is now receiving some discussion.

Samuel H. Bradbury will sell the Waukegan Democrat plant. Notices are posted advertising that by virtue of a chattel mortgage given him by M. C. and F. A. Duffield, dated December 21, 1898, Mr. Bradbury will, on May 1st, at 10 o'clock in the morning, in front of the Moran building on Washington street, sell to the highest bidder, for cash, all machinery, fixtures, etc., of said plant. The goods for sale consist of job type, wood and metal cases, furniture, stands, body type, racks, leads, slugs and presses, and everything familiar to a printing office.

Reliable Incubators won at the great Chicago Show

\$7.00 Buys a Reliable Bantling Incubator.

It is complete, small and gives perfect satisfaction. Holds 80 eggs and is positively self-regulating. This is a bargain in incubators, for in almost every respect the Bantling is fully the equal of our 100 egg size incubator, and is just the thing for small breeders.

Send 10 cents for 228-page "Poultryman's Companion and Guide."
