General C. H. Howard returned last Saturday from a trip through the south. He has been directing the survey of a large tract of land that has been bought by the Howard & Wilson company in Florida, where they expect to locate their seventh colony. The business of the Howard & Wilson company primarily was the publication of two big agricultural weeklies, but of late years their colony business has grown to a point where it considerably exceeds their publishing business. The latest colony tract is a drainage proposition.

Township Board of Education

An election for five members of the New Trier High School Board of Education has been called for Saturday, May 13th.
