Theodore A. Haeefe, a graduate of the McCormick Theological Seminary of Chicago, was the guest of his uncle, Rev. Haeefe, one day last week.

The Woman's Missionary Society of the United Evangelical church have prepared a good program for a missionary meeting tomorrow (Sunday) evening. This will take the place of the preaching service. Everybody is invited.

Rev. A. Haeefe made a flying trip to Hobart, Ind., Wednesday of this week to take in an offered location for a college, with seven other members of the Illinois Conference Board of Education. A very generous offer was made by parties owning 640 acres of fine, dry land, and who offered 10 acres for a college campus, 40 acres for a grove, and 800 lots from the sale of which an endowment fund is to be raised. But generous as the offer is the board can not say that the location is the most desirable.
