## Lakeside

The following notice handed to a representative of this paper failed to reach us last week in time for publication:

The Lakeside Fire Company was not able to give a report of their benefit entertainment held a short time ago in Winnetka, as some of those selling tickets have failed to return to the captain either the money or the tickets entrusted to them, up to date. We should like to remind any of our friends who have forgot-

ten to attend to the above. The entertainment was considered a success as to management and was one of the largest of its kind. It was under the direction of J. S. Taylor. Alonzo L. Richardson was floor-manager. He led the grand march with Miss Annie McLane, followed by seventy-two other couples. Firemen from South Evanston to Waukegan were present. Much satisfaction was expressed by the company.
