

Miss Margery Boulton is spending a few weeks in Asheville, N. C.

Mrs. Henry Dennison, formerly of the Park, is the guest of her mother, Mrs. T. D. Hull.

Mr. Harry Fuller, the author, was the guest on Sunday last of Mr. and Mrs. A. O. Mason.

Three rooms of the graded school have enjoyed a vacation this week, the same being necessitated by the illness of Miss King. Miss King has the German measles, and as Miss Bottum and Miss Bangs board with her, Dr. Haskin thought best, as a member of the board of health, to have these teachers absent themselves from the school until after they had secured a new boarding place.

**Northwestern Military Academy.**

A new craze has broken out at the Academy. The game of "peggity" or "spitz" is almost an epidemic. The disease first made its appearance among the "preps" but it has spread until all last week nearly every boy in the corps put in his spare time driving the little numbered stick about the lawn.

On last Saturday, quite a number cadets, several of the staff officers, and their wives had the pleasure of attending the baseball game in Chicago, between the Baltimore and Chicago teams. The trip was a mammoth box party given by Cadet Hart ('02), son of President Hart of the Chicago Club.

The Academy is deserted this week. On last Saturday the bicycle corps rode through to Camp Lake, Wisconsin, where they were met by Joe Simmers, who had come through by rail with the tents and camp equipment. They immediately put the camp into shape and Monday afternoon the entire corps departed for camp on the 2:40 Chicago & Northwestern train. Col. Davidson, Rev. Pfanstiehl, Mrs. R. P. Davidson, Mrs. B. E. Trask, Mrs. Reddick and son John followed on Tuesday to pay the boys a visit and observe their house keeping. The boys will return this (Saturday) afternoon, in order to give the cycle corps and band a two days rest before Decoration Day.

Our domestic finish is something no imitator can equal. We take soiled linen and give it that soft, delicate, light blue shade that appears so spotlessly white. Even new collars and cuffs fresh from the dealers do not excel in finish those laundered by us.

A postal card will summon us to your door. Our wagons run to Fort Sheridan, Highwood, Ravinia, Glencoe, Highland Park.
