Mrs. Michael Orth, who with her sister, Mrs. Orson Brand and Mr. Brand, have been rusticated at Random Lake, while fishing in that body of water landed a pike weighing 15 pounds and a few ounces. The fish is three feet, two inches in length and was on exhibition at Mr. Brand's studio

The Denison house on Prospect ave, was sold this week to a Chicago man, who proposes to put it in good repair for residence this autumn. The consideration was about \$6000 or a trifle more. As it has 200 feet frontage, that is about \$30 per foot. That property, lots alone will soon sell at \$40 to \$50 per foot. The house is of but little commercial value. The purchaser has a good bargain.

Mr. Orson B. Brand wishes to inform his friends and the public that he has recently enlarged and remodeled his photograph gallery and besides taking first-class photos, will make a speciality of finishing for amateurs and enlarging. He has a full line of up-to-date photo supplies. Framing, matting and passe-partouting pictures on short notice.

Some one asks how it is that S. M. Millard's place shows such rare good landscape taste and skill. In the first place, he has great natural gifts in that line, he sees quickly how Nature groups her forests and copses, how she makes her vistas, etc, and then he graduated at a college where these important things are a prominent feature in the curriculum. The "Ravine Lodge" is therefore one of the choicest places in this or any other suburban town.

A RARE TREAT IN MUSICALES.

The ladies of the Presbyterian church have arranged for a series of musicales and lawn fetes for the summer season where some of the best musical talent available will take part. Refreshments will also be served at each entertainment. The price will be only 25 c. for admission which will include the refreshments. No tickets will be issued. The first of the series will be given next Tuesday evening at the residence of Mr. J. H. Shield's beginning at 8 o'clock. Everybody

is invited. It is a source of congratulation to the residents of the Park that the ladies are preparing for a social and musical treat of a high order. They deserve the encouragement of the community and will no doubt receive it.
