CARD OF THANKS.

Ravinia, Ill., Aug. 3, 1899.
Jno. C. Duffy, Clerk Highland Camp No. 1176, Modern Woodmen of America.

Dear Sir:—I beg leave in this general way to express my sincere thanks and my deepest gratitude for the prompt payment of the benefit certificate for \$1,000 held by my late husband, Charles Koller. I also wish to thank the members of Highland Camp 1176, (of which my dear husband was a member,) for their kindness to me.

While no amount of money could remove from our hearts the sorrow and bereavement or fill the vacant place in our household I know that it will be a great help in providing for myself and my three little children. May the blessings of God rest on such a noble order is my earnest prayer.

Yours Sincerely,
Mrs. CAROLINE KOLLER.

MAKE POULTRY PAY.

In order to succeed in the poultry business as well as in anything else, it is necessary to start right. The first essential is poultry (chicks) itself. Unless there is successful incubation and successful brooding there can be no poultry. Chicks that die as soon as they kick out of the shell, or at the end of the second day, do so because they were not properly hatched. They were robbed of their vitality and their ability to live by incorrect methods in incubation. The

"OLD RELIABLE" INCUBATORS

make no such mistakes. They are so constructed that a new beginner is bound to succeed—just fill and light the lamp; the machine does the rest. Controls heat, moisture and ventilation perfectly.
