Mrs. Gebhard of Morris, Ill., is the guest of Mrs. George Huber.

Last Saturday Mr. Pfanstiehl's Sunday school class ball nine played the nine captained by Mr. Charles Patchen. The battery for the latter team was Warren and Glader and for the "jolly owls" Sweetland and Purdy. It was the best game of the season, being cleanly played and no kicking in evidence. Mr. Pfanstiehl's nine won by a score of 2 to 1. This afternoon the same teams play again on the academy grounds.

HOT RAG-TIME COON SONG.

Rag-time coon music and words have become very popular the past year and writers of that class of songs have been vieing with each other to produce those catchy rag-time airs which become immediately popular with the masses. We have before us a sheet of music which to use a slang expression, "takes the cake." It has the earmarks of popularity on its face, as it has a lithographed title page in five colors with pictures of all the prominent black face comedians of the day and their names who are using the song this season. The music is strictly rag-time and the words have evidently been written to suit the music thus reversing the usual method of producing songs. "She'll Never Live to Love Another Coon" is the title and Claude Melnotte the composer. It is published by the Kansas City Talking Machine Company of Kansas City, Mo., at the price of fifty cents per copy. It can be had of any regular music dealer or of the publishers, who offer to send the subscribers of this paper a copy on receipt of twenty-five cents in stamps or coin. Original records for phonographs or graphophones of this song supplied at fifty cents each. Send for catalogue.

Mr. Ed Smith returned this week to Cornell University.

Local street car service in Waukegan was begun yesterday by the Chicago and Milwaukee Electric railway company, which put on a car running from the north end of the line to the Chicago and Northwestern station. The service will be extended further north and also to the west side, until a full local service is secured. The through cars give fair service between the south side and center of the city, and now stop at Genesee and Washington streets, where the local car connects with them.

The annual fair for the benefit of St Mary's parish will be held at Goldberg's opera house. It will commence on Tuesday evening and conclude on the evening of Oct. 2nd. A bright and up-to-date comedy by local talent, for which rehearsals are now being held, will be presented on the opening night. One of the most widely known and proficient quartets of Chicago has been secured and will render several selections. During the week a great variety of amusement will be offered patrons. Fine music each evening by Professor O'Connor's orchestra. Save your dimes and quarters and attend.

The Saturday Night Meeting.

On Saturday evening, Sept. 16, pursuant to call, a meeting of the Citizen's Association of this city was held in the Young Men's Club rooms for the purpose of discussing the subject of filtration of the city's water supply, and such other matters of importance as would come before the meeting. The meeting was called to order at the hour of 8:30 by Mr. Frank P. Hawkins, president of the association, and the secretary, Mr. S. M. Millard. At the opening of the meeting the president gave a brief synopsis of what the association had done since its organization for the general public good and without further comments on the acts of the past, he did not wish to take up the time of the gentlemen present, as the principal object of the meeting was for the purpose of discussing the matter of filtration of the public water supply, and asked for the pleasure of hear-
