
Winnetka.

Mr. H. S. Greeley will move into his new Prospect avenue home next Monday.

The new telephone exchange will be placed in the F. T. Richardson livery building.

Mr. C. Prouty has gone to the Wisconsin lakes on a hunting and fishing trip. Many of his friends enjoyed his last trip's success.

There is a growing feeling that Winnetka should have a village hall and library building. The old school house should be remodeled, or else a new building be erected.

President Herdman expects to have the village plant installed and in running order by December 1st. If it should be a little later it will serve as a handsome Xmas present, and one we will all appreciate. There is no reason

why, if this scheme proves a success, the village trustees should not at once take up the matter of gas.

Persons who are interested in the town meetings, and so desire, may send contributions to Mr. E. W. Moore or Mr. E. W. Osgood, the treasurer. In order that this work may be continued citizens must contribute about \$1 per year. These meetings have afforded the citizens of Winnetka some of the best entertainments ever held in the village.
