MAKE POULTRY PAY.

In order to succeed in the poultry business as well as in anything else, it is necessary to start right. The first essential is poultry (chicks) itself. Unless there is successful incubation and successful brooding there can be no poultry. Chicks that die as soon as they kick out of the shell, or at the end of the second day, do so because they were not properly hatched. They were robbed of their vitality and their ability to live by incorrect methods in incubation. The

"OLD RELIABLE" INCUBATORS

make no such mistakes. They are so constructed that a new beginner is bound to succeed—just fill and light the lamp; the machine does the rest. Controls heat, moisture and ventilation perfectly.

Our Reliable Pliant Copper Leg Bands are the best, easiest applied and most durable bands made. Reduced to 12 for 20c

50 for 50c, 100 for 80c, 500 for \$3.50, 1,000 for \$6.50., post or express free to any address.

We make a specialty of fine

Reliable Exhibition Coops, lightest, neatest, easiest kept clean. Our 228-page Cata-

logue and poultry book tells all about it and our brood-

ers, poultry-house plans, pure-bred poultry, poultry supplies, etc. Sent to any address
