At the regular meeting of the city council, held Monday night, the good city fathers graciously conferred 12 feet of Western avenue, from Deerpath to Westminster, upon the C. & N.-W. R'y. The railway company is so gratified with the gift that they have signified a willingness to accept 20 feet of the same street from Westminster avenue north, and even hint that it would be a good thing for their business to close certain streets crossing their tracks. It remains to be seen whether the people will sit placidly by and allow their servants to give away their property for the asking.

On next Thursday evening the pupils of Ferry Hall, under the direction of Professor Eager, give a concert for the benefit of the Ferry Hall building fund.

On Sunday evening the Northwestern station was the scene of a terrible accident, resulting in the instantaneous death of W. H. Ferry. Mr. Ferry was waiting for a train to the city. He started to cross the track, supposing that the train he wished to board was coming. Instead a limited train rushed through, striking him as it passed. Mr. Ferry was the son of the late William H. Ferry, one of Lake Forest's pioneer settlers. After the death of his father himself and brother went to California, where they have resided for several years past. During the past month Mr. Ferry has been visiting with the family of his sister, Mrs. C. K. Giles, who occupy the old Ferry homestead on the Lake Shore drive. Mr. Ferry was married 25 years ago to Miss Abbie Farwell, daughter of J. V. Farwell, Sr. He leaves four sons. Although Mr. Ferry has been little known in Lake Forest of late years, his boyhood is kindly remembered by the older residents of the town, who unite with his bereaved family in bemoaning his tragic and untimely end.

Alex Robinson has sold two lots in Holt's subdivision to Henry Fry.
