The U. S. Army and Navy, 1776-1899

A History From the Era of the REVOLU-
TION Down to the Close of the
SPANISH-AMERICAN WAR.

A beautiful art edition, magnificently illustrated, handsomely bound, in fact a Regular \$25.00 Book for only \$10.00. One of the most interesting books ever published. It describes graphically the operations of the Army and Navy from 1776 down to the close of the Spanish-American War. It gives interesting chapters on the Army, how they are fed, clothed, paid and generally cared for. The Spanish-American War, every military and naval operation described in detail. ADMIRAL DEWEY'S OFFICIAL REPORT OF THE BATTLE OF MANILLA. Rear Admiral Sampson's official report of the action off Santiago, etc. We manufacture this book ourselves, and add to the cost of material and workmanship only one small profit, which enables us to offer it at this remarkably low price. It contains 43 large full-page colored lithograph illustrations, 160 pages of text, 13 1/2 x 18 inches full gilt edge, printed on extra heavy, velvet finished book paper, made expressly for this publication, and bound in morocco and alligator grain keratol of a rich, deep brown and blue color. This magnificent book sent prepaid upon receipt of \$10.00, or by express, C. O. D., subject to examination, upon receipt of \$1.00 with the order as evidence of good faith. If it is not as represented above, do not take it. Order at once as this is an opportunity that will not again be afforded by any publishing house. Write us for our catalogue of books, free. Address all orders to
