

Church Directory.

After this week there will be a church directory occupying this column. We hope every church will respond to our call for their notices and time of worship, as we believe this factor in our home paper will be of value to our citizens. We are sure that strangers coming here for the summer, or for a few weeks, will be glad to know they can always get this information Saturday in THE NEWS LETTER.

and justifiable, and, though the amount of money received may sound large, it does not take long to eat it up in expenditures running all the way from \$5 to \$300 each. I am not an "official" or even a "special" auditor. I have done this to satisfy myself and the public. I am satisfied. I give below a tabulated statement of receipts and expenditures taken from the treasurer's book when balances were struck:

RECEIPTS.

To January 21, 1895.....\$1,479 00
 " August 27, 1895..... 663 65
 " March 10, 1900..... 1,436 66

Total receipts.....\$3,579 31

EXPENDITURES AND BALANCES.

To January 21, 1895.....\$ 969 40
 " August 29, 1895..... 1,164 17
 " Cash balance..... 9 08
 " March 17, 1899..... 1,356 61
 " Cash bal., Mch. 10, 1900. 80 05

Total expenditures, etc. \$3,579 31

NOTE.—The real estate, lot and building has been deeded to the city for the use of the Public Library, the Library board paying out of their funds \$1,000 and the city paying \$1,000. The \$80.05 in the bank belonging to the Atheneum and the \$100 yet due on the billiard tables, etc., will be turned over to the Library, and the Atheneum goes out of existence.

LEWIS B. HIBBARD.

March 23, 1900.

Mr. Edward Small justified our high ideal of him as a man in taking his name off that town ticket. His name was put on there without his consent for the sake of defeating an honest, capable man, and Mr. Small would not be a party to any such transaction. All honor to him for his action.

H. M. PRIOR,

Township Clerk.

Funny, is it not, that the combine wants to get J. Gregg O'Brien or some other man to stand up against Allen G. Clampitt, Ward Two, to be knocked down. Why, a year ago the combine could not do enough for Mr. Clampitt. But he went into the Council to serve the public, and when he saw the peanut style of politics they were trying to run in that Council, he said: "No, I am here to serve my constituents. Little personal spite and minorities I will have nothing to do with." And all the people say "'Rah for Clampitt and down with the enemy!"
