

The contract for laying the water mains on Carey, Roger Williams avenues and Sheridan Road in Ravinia has been let to John M. Haley of Chicago for \$2,904.26.

Easter services will be held at the Presbyterian church tomorrow at 10:45 a. m. Special music will be rendered by the choir. The church will be beautified with floral offerings. The pastor, Rev. Mr. Pfanstiehl will preach an Easter sermon. The offering will be for the Presbyterian Hospital in Chicago, one of the very best and most useful hospitals in the United States. This cause should appeal to the hearts and pocket books of every humanity loving person. Everybody is cordially invited to attend the worship.

Through wide acquaintance and experience with the trade Schneider & Cook, the enterprising young jewelers, have been enabled to add a most complete line of silver-plated wares at very low prices; in fact, at lower prices than the same lines can be purchased by the department stores. Consequently, as their motto is "live and let live" you can strike a bargain by calling, inspecting and purchasing. They guarantee their goods to be of a quality as good and in many cases superior to the lines carried by the big Chicago department stores, and their prices for the same much lower.

Rumors are afloat that papers will soon be filed for the First National Bank of Highland Park.

The Sparkling Spring.

In view of local demand for an absolutely pure drinking water William Tillman and some others, remembering a noted spring, out on a beautiful knoll or swell of the prairie near his boyhood home a mile or so north west of town, decided to utilize it. An iron pipe was sunk 130 feet when the solid rock was struck. They drilled into that five feet more when the vein of water was struck and it came boiling and spurting above the ground in great shape and from that day on the flow has been steady, abundant and uniform in quality. They have constructed a large cement basin or reservoir to hold the water and this is all enclosed in a substantial brick spring and bottling house.

The water will be put on the market this season for the first time, delivered every day at your door anywhere in this city, in Glencoe and Lake Forest at the low rate of 30 cents for 6 two quart bottles, securely sealed. As each healthy person should drink from two to three pounds of pure water daily, in summer at least they want good water. From the following analysis, the first or mineral one made by R. W. Stark of the state watersurvey, and the second or chemical and sanitary one by C. V. Miller of the University of Illinois, it will be seen that the water has a slight cathartic effect, but not unduly so.

Potassium nitrate.....	.06
Potassium chloride.....	.24
Sodium chloride.....	1.15
Sodium sulphate.....	12.42
Ammonium sulphate.....	.09
Magnesium sulphate.....	2.71
Magnesium carbonate.....	2.99
Calcium carbonate.....	4.93

Nitrogen as free ammonia.....	.290
Nitrogen as albuminoid ammonia.....	.022
Nitrogen as nitrites.....	None
Nitrogen as nitrates.....	.160

Anyone wishing to try this water will be furnished a sample case free of charge.

Rumor, that veracious maiden, says that three of our business young men are going to commit matrimony in the near future; guess who they are. One of them will put up the cigars, the second will send us a package of home-made sausage and the third give us a nobby hair cut. Their "cages" are all ready.

Mrs. Blaisdell of Ravenswood (nee Jessie Inman of this city) died last week and her old friends in the Park sent a beautiful memorial wreath.

The contract for building the sewer from the city building west on Central avenue to the slough has been let to R. G. Evans for \$1,137.78

The handsome house of Mr. Geo. P. Everhart is nearing completion and will soon be ready for occupancy. The Shultz residence has been enlarged and makes quite a nice showing. The home of Col. and Mrs. Humphrys has been enlarged and modernized and the new Hotel is looming up in good style. These improvements have quite changed the aspect of the Port Clinton end of town and the residents and property owners in that end of the city feel quite "in the swim." The wonder is that such beautiful lying land has been unappreciated so long.

Mr. J. E. Clark and daughter, Marion, of Kingston, Ont., have been spending a few days with his brother, Mr. Frank C. Clark and family, in Highland Park. On Sunday they entertained at dinner, Miss Sara Lavelle, also of Kingston, enroute to California, and Mr. and Mrs. Row and son, of Evanston, formerly of Kingston, forming quite a little gathering of residents and former residents of the "Limestone City". "Little Bobs'" heart would have warmed had he heard the good wishes and God speeds of the little company of "Loyalists."

Winnetka.

The second annual interdenominational rally of the Evanston division of Christian Endeavor, North Side District B. Y. P. U. and Chicago Northern District Epworth League will be held at the First Presbyterian church, Evanston, on Friday evening, April 20, at 8 o'clock. The speakers will be Rev. J. A. Rondthaler and Rev. M. W. Haynes, and the North Shore Choral Society will sing. The meeting will be preceded by an informal reception to the young people of the North Shore in the parlors of the church, beginning at 7 o'clock. It is hoped that a large delegation from the Winnetka C. E. Society will attend.

Glencoe.

Remember that the ladies vote at the election to day [Saturday] for members of the High School Board. The candidates are Mr. Clarence T. Morse of Kenilworth and Mr. James M. Johnson of Wilmette.

Polls in the Village Hall open at one o'clock p. m. and close at seven.

FOR RENT—Nicely furnished 7-room house. Address Mrs. NYRLIN, Glencoe, Ill. 20-3t
