

Mr. J. H. Williams returned this week from England.

Mr. and Mrs. George McKinney have returned from California.

Mr. S. W. Crandall has rented his home in Winnetka, and with his family will spend the summer in the East.

Mrs. E. W. Osgood entertained the Ladies Cinch club on Friday afternoon in the parlors of the Winnetka Club House.

A splendid line of silver ware just received at Schneider & Cook's, which they are selling at Chicago department store prices. Quality always guaranteed.

The managers of the Public Library have sent about fifty duplicate copies of books in the Library to Knoxville, Tenn., to be distributed as needed by Mr. Cyrus Kehr, formerly a resident of Winnetka, and for a long time a very helpful member of the Library Board.

The Winnetka Council No. 1131, Royal Arcanum, gave a fine entertainment to its members and friends on Friday evening, April 20th. Mr. John Kiley, Grand Regent of Illinois, gave the chief address, and several good speakers gave five-minute talks. Mr. Silas Day, the impersonator and character sketch artist, kept the audience spell-bound with his wonderful power, and the musical numbers of the Grand Council Quartette completed an entertainment that reflects great credit on our Royal Arcanum, and which gave a great deal of pleasure to a large audience.

Schneider & Cook will be glad to have any one bring back any work which was done by them which has proven unsatisfactory. They will be pleased to repair same free of charge.

A minstrel and vaudeville entertainment will be given by the ladies of the Winnetka Club on Monday evening, April 23rd. It was originally designed that this should be exclusively for the ladies, but so much interest was aroused among the gentlemen and such fabulous sums were offered for admission tickets, that the ladies in charge finally consented to satisfy the "clamorous demand" and

will appear for one night only on the above mentioned date. The very efficient committee of ladies who did so much towards furnishing the club house before the opening night have been handicapped since then by a lack of funds, and it has been decided to deviate from the established custom for this occasion and endeavor by charging admission for this entertainment to raise enough funds to complete the work of furnishing, so well begun. An evening of enjoyment and fun, the like of which has never before been offered on the North Shore, is assured to those who are fortunate enough to secure the limited number of tickets offered.

The Ladies Auxiliary of the Winnetka Club gave a very enjoyable entertainment at the club house Monday afternoon, Apr. 16, at 2 o'clock. A musical program was rendered followed by a Japanese Tea. The committee regretted the inability of Mr. Winters and Mrs. Naramore to perform their parts, but Mrs. Riggle kindly consented to supply the deficiency, to the appreciation of all present. Mr. H. B. Sanders rendered the "Spanish Serenade," Fullerton; "My Axe of Steel," Havens; "A Dream," Bartlett, and Miss Georgielly Lay gave the "Carnival Mignon," Schuett; and "Chant Polo-

naise," Chopin-Liszt. The program closed with a very graceful and pretty Japanese dance by Mrs. Abbott of Chicago. The ladies then adjourned to the dining-room, which was decorated with Japanese lanterns. Here they were served to light refreshments by three Japanese maidens, Misses Edith McConnell, Fannie Hughes and Pauline Taylor. The receiving committee consisted of Mesdames Riggle, Butz, Crandall, Buchanan, McConnell and Weart. About sixty ladies from Winnetka and Glencoe were present, and all voted the afternoon a great success.
