Sept. 11th, 1900
 EDITOR, SHERIDAN ROAD NEWS-LETTER:
 Permit me to congratulate you
 and the NEWS-LETTER on the un-
 equaled skill in which the English
 language was made to conceal and
 yet support the present imperial
 Monarchist party versus our for-
 mer Republican-Democratic system;
 Charles Maurice Talland Perigard
 the famous author of the doctrine
 that language was mainly useful to
 conceal ideas and thoughts would
 now be a back number in compari-
 son to the writer of that article in
 the NEWS-LETTER of Sept. 7th 1900.
 For a small family gossiping slip-
 shop-bantling made to entertain
 Highland Park and other lake shore
 juveniles, the article referred to
 leads the way for pabulum of a dif-
 ferent grade of nutriment and en-
 tertainment. The half column of dis-
 tortured truth mixed with gusts of
 falsehood, just now falling in disas-
 trous cascades over our decadent Amer-
 ican Republic, was scarcely looked for
 in this neck of the woods but its actual
 appearance shows what strides the
 spirit of a monarchy versus our Re-
 public has made in the past forty
 years. Why should we wonder that
 the Christ was crucified when our
 most able Tallyrands are crucifying
 in our very midst daily just as pal-
 pable truths, as many utterances
 attributed to the Nazarene two
 thousand years ago? Why do we
 wonder that rock rooted pagan Chi-
 nese (thrice happy in their worship
 of ancestral bones) oppose, with
 murderous zeal our more modern
 pagans whose transparent veneering
 discloses so well only a more refined
 barbarism of superior mechanical
 skill and perfidious ingenuity?
 If the article referred to in the
 NEWS-LETTER is the production of
 the editor, he deserves the "cuckoo."
 If it is only a reprint from some
 other monarchist and hated of plain
 common Democratic Republicans,
 then the NEWS LETTER should expect
 increased patronage from all monar-
 chists of the lake shore and should
 carry at its head Count Walde-
 see's cross-barred flag or some monar-
 chical rag that children may gradually
 become familiar with. Also, it could
 be only fair to all readers to change
 the name of this little sheet to The
 Imperial Monarchist of Highland
 Park. (See?)
 TURNLEY. (PARMENAS)
 Thanks Brother Turnley.—71.
WANTED.

 Democratic standpoints. The par-

 desired. Aug. 10-17.
A Fine Trip.
 There are many folks in this city
 who wish to go to Chicago who don't
 know how easily and pleasantly it
 can be done for just 50 cents. Take
 an electric car here before 8 a. m. or
 the 8:48 as we did and go to Evan-
 ston, there change to steam cars just
 across a covered platform and hence
 6 miles to Wilson Avenue and then
 change to the elevated and go right
 into Chicago. We went to Siegel
 & Coopers', did a little shopping and
 walked out of their second floor into
 the elevated car and came home the
 same way.
 The time from Central Avenue to
 Siegel & Coopers' was about an hour
 and a quarter or a little over, very
 pleasant, convenient and cheap also.
 The fare on the elevated is five cents
 each way; buy your electric road
 ticket of G. B. Cummings before
 you start, good for a round trip for
 that day only. You can step on the
 electric car here, go to Chicago, do
 your shopping etc. and come home
 again in the rain, snow, sleet, or
 slush and not soil your feet. All you
 get off the car here and you can buy
 any thing and every thing you need
